Australian Health Practitioner Regulation Agency

Extracts from the *Health Practitioner Regulation National Law Act* relevant to Student Registration

This document contains sections extracted from the *Health Practitioner Regulation National Law* as in force in each State and Territory (National Law) which are relevant to student registration. Please note that this is not an exhaustive list. To view the Health Practitioner Regulation National Law in its entirety, please visit the [Legislation](#) section of AHPRA's website.

Definitions

Section 5 of the National Law defines the terms that are relevant to student registration. For a full list of definitions, please refer to the *Health Practitioner Regulation National Law* published on the [Legislation](#) section of AHPRA's website.

Approved program of study, for a health profession or for an endorsement of registration in a health profession, means an accredited program of study –

- (a) approved under section 49(1) by the National Board established for the health professions; and
- (b) included in the list published by the National Agency under section 49(5)

Education provider means -

- (a) a university; or
- (b) a tertiary education institution, or another institution or organisation, that provides vocational training; or
- (c) a specialist medical college or other health profession college.

This definition includes:

- education providers delivering Board approved programs of study leading to registration; as well as education providers, health services and other organisations who provide clinical experience placements.

Impairment, in relation to a person, means the person has a physical or mental impairment, disability, condition or disorder (including substance abuse or dependence) that detrimentally affects or is likely to detrimentally affect—

- (b) for a student, the student's capacity to undertake clinical training—
 - (i) as part of the approved program of study in which the student is enrolled; or
 - (ii) arranged by an education provider.

National Agency means the Australian Health Practitioner Regulation Agency established by section 23.

National Board means a National Health Practitioner Board established by section 31.

Sections pertinent to Registration

Part 7 Registration of health practitioners

Division 7 Student registration

Subdivision 1 Persons undertaking approved programs of study

Section 88 National Board may ask education provider for list of persons undertaking approved program of study

- (1) For the purposes of registering persons as required by section 87, a National Board may, at any time by written notice given to an education provider, ask the provider for the following—
- (a) the particulars of all persons who are undertaking an approved program of study for the health profession for which the Board is established;
 - (b) the particulars of all persons who will be undertaking the part of the approved program of study specified in the notice.
- (2) An education provider given a notice under subsection (1) must not fail, without reasonable excuse, to comply with the notice.
- (3) A contravention of subsection (2) does not constitute an offence.
- (4) However, if an education provider does not comply with a notice under subsection (1)—
- (a) the National Board that gave the education provider the notice must publish details of the failure to comply with the notice on the Board's website; and
 - (b) the National Agency may, on the recommendation of the National Board, include a statement about the failure to comply with the notice in the Agency's annual report.

Section 90 Period of student registration

The period of registration for a student—

- (a) starts when the student is registered under section 89; and
- (b) expires at the end of the day on which the student completes, or otherwise ceases to be enrolled in, the approved program of study.

Subdivision 2 Other persons to be registered as students

Section 91 Education provider to provide lists of persons

- (1) If an education provider arranges clinical training in a health profession for a person who is not enrolled in an approved program of study for the profession, the education provider must give the National Board established for the profession written notice about the arrangement.
- (2) Subsection (1) does not apply if the person is a registered health practitioner who is registered in the health profession in which the clinical training is being undertaken.
- (3) A notice under subsection (1) must include—
- (a) the particulars of the person undertaking the clinical training, and
 - (b) particulars of the arrangement for the person to undertake the clinical training.
- (4) On receipt of a notice under subsection (1)—
- (a) the National Board may register the persons as students in the health profession by entering the persons' particulars in the student register kept by the Board; or
 - (b) the National Board may—
 - (i) by written notice given to each person, require the person to complete an application for registration as a student in the form approved by the National Board; and
 - (ii) on receipt of the person's application form, register the person as a student in the health profession by entering the person's particulars in the student register kept by the Board.
- (5) As soon as practicable after registering a person as a student under subsection (4), a National Board must give written notice of the registration to the education provider that provided the student's particulars to the Board.
- (6) The National Board must not require a person to pay a fee for registration as a student.
- (7) A student's period of registration under this section—

- (a) starts when the student is registered under subsection (4); and
- (b) expires at the end of the day on which the person completes, or otherwise ceases to undertake, the period of clinical training.

Subdivision 3 General provisions applicable to students

Section 92 Notice to be given if student registration suspended or condition imposed

- (1) This section applies if, at any time, any of the following events occurs—
 - (a) a person's registration as a student under this Law is suspended;
 - (b) a condition is imposed on a person's registration as a student under this Law or a condition to which a person's registration is subject is changed or removed;
 - (c) a National Board accepts an undertaking from a person who is a student.
- (2) The National Board that registered the person must, as soon as practicable after the event occurs, give written notice of the event to the education provider with which the person is undertaking the approved program of study.
- (3) If an education provider is given a notice under subsection (2) about a person, the education provider must, as soon as practicable after receiving the notice, give notice of the event to any entity with whom the person is undertaking training as part of the approved program of study.

Section 93 Report to National Board of cessation of status as student

- (1) This section applies if—
 - (a) a student completes, or otherwise ceases to be enrolled in, an approved program of study for a health profession provided by an education provider; or
 - (b) a student completes, or otherwise ceases to undertake, clinical training in a health profession arranged by an education provider.
- (2) The education provider must give written notice of the student ceasing to be enrolled in the program of study, or to undertake the clinical training, to the National Board established for the health profession within 60 days of it occurring.
- (3) A contravention of subsection (2) does not constitute an offence.
- (4) However, if an education provider contravenes subsection (2)—
 - (a) the National Board must publish details of the contravention on the Board's website; and
 - (b) the National Agency may, on the recommendation of the National Board, include a statement about the contravention in the Agency's annual report.

Sections pertinent to voluntary and mandatory notifications

Part 8 Health, performance and conduct

Division 2 Mandatory notifications

Section 143 Mandatory notifications by education providers

- (1) An education provider must notify the National Agency if the provider reasonably believes—
- (a) a student enrolled in a program of study provided by the provider has an impairment that, in the course of the student undertaking clinical training as part of the program of study, may place the public at substantial risk of harm; or
 - (b) a student for whom the education provider has arranged clinical training has an impairment that, in the course of the student undertaking the clinical training, may place the public at substantial risk of harm;

Note. See section 237 which provides protection from civil, criminal and administrative liability for persons who make a notification under this Law. Section 237(3) provides that the making of a notification does not constitute a breach of professional etiquette or ethics or a departure from accepted standards of professional conduct and nor is any liability for defamation incurred.

- (2) A contravention of subsection (1) does not constitute an offence.
- (3) However, if an education provider does not comply with subsection (1)—
- (a) the National Board that registered the student must publish details of the failure on the Board's website; and
 - (b) the National Agency may, on the recommendation of the National Board, include a statement about the failure in the Agency's annual report.

Division 3 Voluntary Notifications

Section 144 Grounds for voluntary notification

- (2) A voluntary notification about a student may be made to the National Agency on the grounds that—
- (a) the student has been charged with an offence, or has been convicted or found guilty of an offence, that is punishable by 12 months imprisonment or more; or
 - (b) the student has, or may have, an impairment; or
 - (c) that the student has, or may have, contravened a condition of the student's registration or an undertaking given by the student to a National Board.

Section 145 Who may make voluntary notification

Any entity that believes that a ground on which a voluntary notification may be made exists in relation to a registered health practitioner or a student may notify the National Agency.

Note. See section 237 which provides protection from civil, criminal and administrative liability for persons who, in good faith, make a notification under this Law.
