- Change of name certificate.

Faxed, scanned or emailed copies of certified documents will not be accepted.

#### **CONTINUING PROFESSIONAL DEVELOPMENT (CPD)**

All registered practitioners must undertake CPD as specified in the Board's *Continuing professional development registration standard* to maintain their competence to practice. CPD should be relevant to your area of professional practice and have clear learning aims and objectives that meet your requirements.

CPD activities should also have a focus on the clinical aspects of practice, including diagnosis, evidence-based practice and patient safety.

To maintain their competence to practice, all registered osteopaths (except those with non-practising registration) must:

- (a) undertake 25 hours of CPD annually, which includes a mandatory CPD activity approved by the Board, and
- (b) maintain a current first aid certificate at the minimum standard of a Senior First Aid (level 2) certificate or equivalent.

For more information, view the full registration standard online at **www.osteopathyboard.gov.au/Registration-Standards** 

#### **CRIMINAL HISTORY**

**Criminal history** includes the following, whether in Australia or overseas, at any time:

- · every conviction of a person for an offence
- every plea of guilty or finding of guilt by a court of the person for an offence, whether or not a conviction is recorded for the offence, and
- every charge made against the person for an offence.

Under the National Law, spent convictions legislation does not apply to criminal history disclosure requirements. Therefore, you must disclose your complete criminal history as detailed above, irrespective of the time that has lapsed since the charge was laid or the finding of guilt was made.

The Board will decide whether a health practitioner's criminal history is relevant to the practice of the profession.

You are not required to obtain or provide your Australian criminal history report, Ahpra will obtain this check on your behalf. You may be required to obtain international criminal history reports.

For more information, view the full registration standard online at **www.osteopathyboard.gov.au/Registration-Standards** 

#### **CURRICULUM VITAE**

Your curriculum vitae must:

- detail any gaps in your practice history of more than three months from the date you obtained your qualification, and the reasons for those gaps (e.g. undertaking study, travel, family commitment)
- be in chronological order
- be signed and dated with a statement 'This curriculum vitae is true and correct as at (insert date)'

To be eligible for registration you **must** be able to provide evidence of English language skills that meet the Board's *English language skills registration standard* which can be found at

www.osteopathyboard.gov.au/Registration-Standards

#### **IMPAIRMENT**

Impairment means a physical or mental impairment, disability, condition, or disorder (including substance abuse or dependence) that detrimentally affects or is likely to detrimentally affect your capacity to practise the profession. The National Law requires you to declare any such impairments at the time of renewal, including details of the impairment and how it is managed.

#### **PRACTICE**

**Practice** means any role, whether remunerated or not, in which the individual uses their skills and knowledge as a practitioner in their regulated health profession. Practice is not restricted to the provision of direct clinical care. It also includes using professional knowledge in a direct non-clinical relationship with patients or clients, working in management, administration, education, research, advisory, regulatory or policy development roles and any other roles that impact on safe, effective delivery of health services in the health profession.

#### PROFESSIONAL INDEMNITY INSURANCE (PII)

You must have PII, or some alternative form of indemnity cover that complies with the Board's registration standard, for all aspects of your practice. Initial registration and annual renewal of registration requires a declaration that you will be covered for all aspects of practice for the whole period of the registration. You may be covered by your Australian employer's PII—you will need to confirm this with your employer.

For more information, view the full registration standard online at **www.osteopathyboard.gov.au/Registration-Standards** 

#### **RECENCY OF PRACTICE**

To ensure that you are able to practise competently and safely, you will be required to meet the Board's recency of practice requirements with any application for renewal.

To ensure you are able to practise competently and safely, all practising registrants must undertake at least 450 hours of practice in the previous three years in order to maintain recency of practice in your current domain of practice as an osteopath.

The specific requirements for recency depend on the field of practice, your level of experience and the length of absence from the field. If you propose to change your field of practice, the Board will consider whether your peers would view the change as a normal extension or variation within a field of practice, or a change that would require specific training and demonstration of competence.

Practitioners who are unable to meet the recency of practice requirements will be required to submit a plan for re-entry to practice for the Board's consideration and may be required to undertake an assessment of their competency to practise or complete specific education.

For more information, view the full registration standard online at www.osteopathyboard.gov.au/Registration-Standards

#### **REGISTRATION APPROVAL DATES**

**On the date of the Board's approval** – this means your registration will start on the date all application requirements are received and you're assessed as eligible for registration.

On the date below or the date of the Board's approval, whichever is the latter – this means your registration will start on the date you nominated, providing it is after the date of the Board's approval. If not, then your registration will start on the date of the Board's approval.
