Amendment History	Part and Division	Description	Change	Date Change Made
	Preamble: Preliminary: Clause 1.1	The Osteopathy Board of Australia (the Board), pursuant to section 37 of the Health Practitioner Regulation National Law Act 2009 (the National Law), resolved to delegate its functions as specified in this Instrument of Delegation (Instrument) on 27 November 2020.	Amend the date to the date of the Board's meeting.	12 September 2022
	Preamble: Preliminary: Clause 1.2	This Instrument is a complete record of the Board's resolutions with respect to the delegation of its functions. The Board resolved to revoke all prior delegations and authorisations with effect on 1 January 2021.	Amend the date to the date of Chair's signature.	12 September 2022
	Preamble: Preliminary: Clause 1.4	This Instrument does not take effect until the date of the signature of the Chair of the Board unless specified otherwise. The effective date of this Instrument is 1 January 2021.	Amend the date to the date of Chair's signature.	12 September 2022
	Schedule 2 Decision delegated by a National Board: section 82(1)(c)	Condition 3(b) in Column E read: <i>the applicant has indicated that he or she agrees with the proposed imposition of the condition(s).</i>	Amend Condition 3(b) in Column E to read: <i>the applicant has indicated that he or she agrees with the proposed decision.</i>	12 September 2022
	Schedule 2 Decision delegated by a National Board: section 91(4)(b)(i)	Reference to section in Column D read: 91(4)(a)(i)	Amend reference to section in Column D to read: 91(4)(b)(i)	12 September 2022

Schedule 2 Decisions delegated by the National Board: S 152(3)	N/A	Addition of section in Column D. Addition of the following description in Column A: <i>Despite s 152(1), a notice of receipt of notification is not required to be given to the registered health practitioner or student if the Board reasonably believes doing so would prejudice an investigation of the notification; or place at risk a person's health or safety or place a person at risk of intimidation or harassment.</i>	12 September 2022
Schedule 2 Decisions delegated by the National Board: S 159A(2)	N/A	Addition of section in Column D. Addition of the following description in Column A: <i>Following a decision to take immediate action under s 156, the Board may inform the notifier of the decision and the reasons for the decision.</i>	12 September 2022
Schedule 2 Decisions delegated by the National Board: S 167A(2)	N/A	Addition of section in Column D. Addition of the following description in Column A: <i>Following a decision after the investigation under s 167, the Board may inform the notifier of the decision and reasons for the decision.</i>	12 September 2022
Schedule 2 Decisions delegated by the National Board: S 177A(2)	N/A	Addition of section in Column D. Addition of the following description in Column A: <i>Following a decision after the assessor's report under s 177, the Board may inform the notifier of the decision and the reasons for the decision.</i>	12 September 2022
Preamble: Preliminary: Clause 1.1	The Osteopathy Board of Australia (the Board), pursuant to section 37 of the Health Practitioner Regulation National Law Act 2009 (the National Law), resolved to delegate its functions as specified in this Instrument of Delegation (Instrument) on 26 August 2022.	Amend the date to the date of the Board's meeting.	28 November 2022
Preamble: Preliminary: Clause 1.2	This Instrument is a complete record of the Board's resolutions with respect to the delegation of its functions. The Board resolved to revoke all prior delegations and authorisations with effect on 12 September 2022.	Amend the date to the date of Chair's signature.	28 November 2022
Preamble: Preliminary: Clause 1.4	This Instrument does not take effect until the date of the signature of the Chair of the Board unless specified otherwise. The effective date of this Instrument is 12 September 2022.	Amend the date to the date of Chair's signature.	28 November 2022
s 112(3)	Board decides to renew a registration, including any endorsement on registration, the registration or the endorsement subject to any conditions the registration was subject to immediately before the renewal and any condition the Board considers necessary or desirable.	New Scenario 2 added to power to propose to impose conditions SCENARIO 2 Ahpra may only propose to impose conditions on a renewal of registration where: 1. conditions relate to the completion of additional Continuing Professional Development requirements; and 2. the proposed condition is standard worded conditions in accordance with the National Restriction Library. New Scenario 2 added to power to impose conditions: SCENARIO 2 Ahpra may only impose conditions on a renewal of registration where:	28 November 2022

			1. conditions relate to the completion of additional Continuing Professional Development requirements; and 2. the proposed condition is standard worded conditions in accordance with the National Restriction Library.

Schedule 2 Decisions delegated by the National Board: 150A(4) (excl Qld Act) 150C(4) (Qld Act)	-	Addition of new section 150A(4) (excl Qld Act) 150C(4) (Qld Act) Addition of new section description as follows: <i>In respect of decisions made under s 150A(1) (excl Qld Act) or s 150C(4) (Qld Act), the Board may ask the other entity to give the Board information about how the subject matter of the referred matter or the part of the referred matter was resolved.</i> Addition of section to column D (i.e. Ahpra).	11 May 2023
Schedule 2 Decisions delegated by the National Board: 151(1)	Current description read: <i>Board decides to take no further action in relation to a notification:</i> <i>a. frivolous, vexatious, misconceived or lacking in substance</i> <i>b. amount of time elapsed,</i> <i>c. the person is no longer registered,</i> <i>d. subject matter already been dealt with</i>	Amend description to read: <i>Board decides to take no further action in relation to a notification:</i> <i>a. if it is frivolous, vexatious, misconceived or lacking in substance</i> <i>b. given the amount of time elapsed,</i> <i>c. if the person is no longer registered,</i> <i>d. the subject matter already been dealt with</i> <i>e. the subject matter of the notification,</i>	11 May 2023

		<p>e. <i>being dealt with by another entity or been referred by Board to another entity, or</i></p> <p>f. <i>registered health practitioner has taken appropriate steps to remedy the subject matter of notification.</i></p> <p>Current conditions read: <i>Delegation of s 151(1)(e) to Ahpra only applies where the Board's delegate and the HCE have agreed that the HCE will deal with the subject matter of the notification, under s 150(3).</i></p>	<p>i. <i>is being dealt with by another entity or been referred by Board to another entity, or</i></p> <p>ii. <i>has been referred by the Board under ss 150 or 150A to another entity to be dealt with,</i></p> <p>f. <i>the registered health practitioner has taken appropriate steps to remedy the subject matter of notification.</i></p> <p>Remove conditions.</p>	
Schedule 2 Decisions delegated by the National Board: 151(1A)	-		<p>Addition of new section 151(1A)</p> <p>Addition of new section description as follows: <i>Board may decide to take no further action in relation to part of a referred matter if the subject matter or the part of the referred matter has been referred by the Board under ss 150 or 150A (s 150C (Qld Act)) to another entity to be dealt with by that entity.</i></p> <p>Addition of section to column D (i.e. Ahpra).</p>	11 May 2023
Schedule 2 Decisions delegated by the National Board: Division 7B	-		Addition of new division 7B	11 May 2023
Schedule 2 Decisions delegated by the National Board: 159Q(1)	-		<p>Addition of new section 159Q(1)</p> <p>Addition of new section description as follows: <i>Board may make a public statement if, in the Board's reasonable belief, the person:</i></p> <p>i. <i>has contravened a relevant provision, or</i></p> <p>ii. <i>is the subject of an assessment, investigation or other proceedings under Part 8</i></p> <p>Addition of section to column C (i.e IAC)</p>	11 May 2023
Schedule 2 Decisions delegated by the National Board: 159R(2)	-		<p>Addition of new section 159R(2)</p> <p>Addition of new section description as follows: <i>Board must decide, following consideration of the show cause submission, either :</i></p> <p>i. <i>not to make the public statement; or</i></p> <p>ii. <i>to make the public statement as proposed; or</i></p> <p>iii. <i>to make the public statement in a different way or with different content.</i></p> <p>Addition of section to column C (i.e IAC)</p>	11 May 2023
Schedule 2 Decisions delegated by the National Board: 159S(1)	-		<p>Addition of new section 159S(1)</p> <p>Addition of new section description as follows: <i>Board may revise the public statement made under s 159R(2) if the Board reasonably believes it is necessary in the circumstances.</i></p> <p>Addition of section to column C (i.e IAC)</p>	11 May 2023
Schedule 2 Decisions delegated by the National Board: 159T(1)	-		<p>Addition of new section 159T(1)</p> <p>Addition of new section description as follows: <i>Board must revoke the public statement if the Board is satisfied the grounds on which the public statement was made:</i></p> <p>i. <i>no longer exist in relation to the person; or</i></p> <p>ii. <i>did not exist at the time the statement was made.</i></p> <p>Addition of section to column C (i.e IAC)</p>	11 May 2023

Schedule 2 Decisions delegated by the National Board: 179(2)	Current description read: <i>Board must decide to take no action or to take relevant action and/or refer the matter to another entity in relation to a registered health practitioner or student.</i>	Amend description to read: <i>Board must decide in relation to a registered health practitioner or student to:</i> <i>i. take no action,</i> <i>i. take the proposed relevant action or other relevant action,</i> <i>ii. take other action under Part 8, or refer the matter to another entity.</i> Addition of condition: <i>Ahpra may only decide to take no further action under s 179(2)(a):</i> <i>1. in relation to breaches of s 133 (advertising offences).</i>	11 May 2023
Schedule 2 Decisions delegated by the National Board: 193(1) (excl Qld Act)	Current description read: <i>Board must refer a matter about a registered health practitioner or student to a responsible tribunal if it reasonably believes that the practitioner/student has behaved in a way that constitutes professional misconduct, their registration was improperly obtained or if it is referred from a panel.</i> No conditions	Add in "excl Qld Act" after the section number. Amend the description to read: <i>Board must refer a matter about a registered health practitioner or student to a responsible tribunal if it reasonably believes based on a notification or for any other reason, that the practitioner/student has behaved in a way that constitutes professional misconduct, or if it is referred from a panel.</i>	11 May 2023
Schedule 2 Decisions delegated by the National Board: 193(1) (Qld Act)	Current description read: <i>Board must notify the Health Ombudsman if the Board forms a reasonable belief that the behaviour is professional misconduct or another ground for suspension or cancellation or a panel notified the Board of the panel's belief.</i> No conditions	Amend the description to read: <i>Board must notify the Health Ombudsman if the Board forms a reasonable belief based on a complaint or for any other reasons that the behaviour is professional misconduct or there is another ground for suspension or cancellation or a panel notified the Board of the panel's belief.</i>	11 May 2023
Schedule 2 Decisions delegated by the National Board: 193A(1) (excl Qld Act) 193C(1) (Qld Act)	-	Addition of new section 193A(1) (excl Qld Act) 193C(1) (Qld Act) Addition of new section description as follows: <i>Board may decide not to refer a matter about a registered health practitioner mentioned in s 193(1)(a) (excl Qld Act) to a responsible tribunal if the Board decides there is no public interest in the matter being heard by a responsible tribunal.</i> Addition of section to columns B (i.e. RNCC)	11 May 2023
Schedule 2 Decisions delegated by the National Board: Division 14	-	Addition of new division 14	11 May 2023
Schedule 2 Decisions delegated by the National Board: 206(2)	-	Addition of new section 206(2) Addition of new section description as follows: <i>Following either the receipt of or awareness of the practitioner's practice information, Board may give written notice of the decision to:</i> <i>i. the named registered health practitioners with whom the practitioner currently shares premises and the cost of the premises; and</i>	11 May 2023

			<p>ii. <i>the named registered health practitioners with whom the practitioner previously shared premises and the cost of the premises if the Board reasonably believes the practitioner's health, conduct or performance while the practitioner shared the premises with the registered health practitioners posed a:</i></p> <p>a. <i>risk of harm to a person or a class of persons; or</i></p> <p>b. <i>risk to public health or safety.</i></p> <p>Addition of section to column D (i.e. Ahpra)</p>	
Schedule 2 Decisions delegated by the National Board: 206(3)(b)	-		<p>Addition of new section 206(3)(b)</p> <p>Addition of new section description as follows: <i>Following application of s 206(1), a written notice of the decision may be provided to an entity which the registered health practitioner had a previous practice arrangement with and the Board believes because of the practitioner's health, conduct or performance whilst they were at that entity posed a risk of harm to a person or a class of person or a risk to public health or safety.</i></p> <p>Addition of section to column D (i.e. Ahpra)</p>	11 May 2023
Schedule 2 Decisions delegated by the National Board: 220A(2) and (5)	-		<p>Addition of new section 220A(2) and (5)</p> <p>Addition of new section description as follows: <i>Following either the receipt of, or awareness of the practitioner's practice information as defined in s 132(4)(a), the Board may give written notice of the risk and any relevant information about the practitioner to the named registered health practitioners with whom the practitioner currently shares premises and the cost of the premises if it is in the public interest to do so.</i></p> <p>Addition of section to column C (i.e. IAC)</p>	11 May 2023
Schedule 2 Decisions delegated by the National Board: 220A(3) and (5)	-		<p>Addition of new section 220A(3) and (5)</p> <p>Addition of new section description as follows: <i>Following either the receipt of, or awareness of the practitioner's practice information as defined in s 132(4)(b), the Board must give written notice of the risk and any relevant information about the practitioner to a named entity that has a current practice arrangement with the practitioner if it is in the public interest to do so.</i></p> <p>Addition of section to column C (i.e. IAC)</p>	11 May 2023
Schedule 2 Decisions delegated by the National Board: 220B(2)	-		<p>Addition of new section 220B(2)</p> <p>Addition of new section description as follows: <i>If the Board holds a reasonable belief pursuant to s 220B(1)(a), the Board may give written notice of the risk, and any relevant information about the unregistered person, to the registered health practitioners or entities mentioned in s 220B(1)(b).</i></p> <p>Addition of section to column D (i.e. Ahpra)</p>	11 May 2023

Schedule 2 Decisions delegated by the National Board: 226(1)	Current description read: <i>Board may decide not to include or remove information from the public register in relation to a registered health practitioner.</i> Each subsection was broken down and delegated to the various committees.	Addition of new s 226(1) Addition of new section description as follows: <i>Board may decide that a condition imposed on a practitioner's registration, or an undertaking accepted from the practitioner because the practitioner has an impairment is not recorded on the public register if it is necessary to protect the practitioner's privacy and there is no overriding public interest for the condition or undertaking to be recorded.</i> Addition of section to columns C and D (i.e. IAC and Ahpra)	11 May 2023
Schedule 2 Decisions delegated by the National Board: 226(2)	Current description read: <i>Board may decide not to include or remove information from the public register in relation to a registered health practitioner.</i> Each subsection was broken down and delegated to the various committees.	Addition of new s 226(2) Addition of new section description as follows: <i>Following a request from the practitioner, the Board may decide that information relating to a practitioner should not be recorded on the public register because the Board reasonably believes that the inclusion of the information would present a serious risk to the health or safety of the practitioner or a member of the practitioner's family or an associate of the practitioner</i> Addition of section to columns B and C (i.e. RNCC and IAC)	11 May 2023
Schedule 2 Decisions delegated by the National Board: 226(2A)	Current description read: <i>Board may decide not to include or remove information from the public register in relation to a registered health practitioner.</i> Each subsection was broken down and delegated to the various committees.	Addition of new s 226(2) Addition of new section description as follows: <i>Board may decide to record information, which previously was excluded under s 226(2), on the public register if the Board reasonably believes the circumstances on which the previous exclusion was based have changed.</i> Addition of section to columns B and C (i.e. RNCC and IAC)	11 May 2023
Schedule 2 Decisions delegated by the National Board: 226(3)	Current description read: <i>Board may decide not to include or remove information from the public register in relation to a registered health practitioner.</i> Each subsection was broken down and delegated to the various committees.	Addition of new s 226(3) Addition of new section description as follows: <i>Board may decide to remove information from the public register that the registered health practitioner has been reprimanded if it considers it is no longer necessary or appropriate for the information to be recorded on the Register.</i> Addition of section to column D (i.e. Ahpra)	11 May 2023
Schedule 1 Functions only exercised by the National Board: s159C(1)	Board may issue an interim prohibition order to an unregistered person if, in the Board's reasonable belief, the person: i. has contravened a relevant provision, or ii. is the subject of an assessment, investigation or other proceedings under Part 8	Addition of new s159C(1) Addition of new direction in column D as follows: <i>The National Board will make the decision where the unregistered person is a person:</i> 1. whose registration is suspended, or 2. who is the subject of ongoing proceedings under Part 8.	26 June 2024
Schedule 1 Functions only exercised by the National Board: s159E(6)(a)	Following consideration of any submissions made by the unregistered practitioner in accordance with the notice from s 159E(3), the Board must decide, to either: i. confirm the issue of the interim prohibition order, or	Addition of new s159E(6)(a) Addition of new direction in column D as follows: <i>The National Board will make the decision where the unregistered person is a person:</i> 1. whose registration is suspended, or	26 June 2024

		ii. revoke the interim prohibition order.	2. who is the subject of ongoing proceedings under Part 8.	
Schedule 1 Functions only exercised by the National Board: s159G(1)	Board must revoke an interim prohibition order about an unregistered person if, the Board is satisfied the grounds on which the order was issued:	<ul style="list-style-type: none"> i. no longer exist in relation to the person, or ii. did not exist at time the order was issued to the person. 	Addition of new s159G(1) Addition of new direction in column D as follows: <i>The National Board will make the decision where the unregistered person is a person:</i> <ul style="list-style-type: none"> 1. whose registration is suspended, or 2. who is the subject of ongoing proceedings under Part 8. 	26 June 2024
Schedule 1 Functions only exercised by the National Board: s159G(2)	Board may vary an interim prohibition order about an unregistered person if,	<ul style="list-style-type: none"> i. the Board is satisfied a different ground in s 159C(1)(a) exists; and ii. the Board continues to hold the reasonable belief as specified in s 159C(1)(b). 	Addition of new s159G(2) Addition of new direction in column D as follows: <i>The National Board will make the decision where the unregistered person is a person:</i> <ul style="list-style-type: none"> 1. whose registration is suspended, or 2. who is the subject of ongoing proceedings under Part 8. 	26 June 2024
Schedule 1 Functions only exercised by the National Board: s159H(1)	Board may extend an interim prohibition order about an unregistered person by a period of 60 days if the Board reasonably believes it is necessary.		Addition of new s159H(1) Addition of new direction in column D as follows: <i>The National Board will make the decision where the unregistered person is a person:</i> <ul style="list-style-type: none"> 1. whose registration is suspended, or 2. who is the subject of ongoing proceedings under Part 8. 	26 June 2024
Schedule 1 Functions only exercised by the National Board: s159I(2)	Following a decision to issue or extend an interim prohibition order, the Board may inform the notifier who made the notification or the person who made the complaint of the decision and the reasons for the decision.		Addition of new s159I(2) Addition of new direction in column D as follows: <i>The National Board will make the decision where the unregistered person is a person:</i> <ul style="list-style-type: none"> 1. whose registration is suspended, or 2. who is the subject of ongoing proceedings under Part 8. 	26 June 2024
Schedule 1 Functions only exercised by the National Board: s159J(2)	Prior to the expiration of the interim prohibition order, the Board may apply to the responsible tribunal to extend the order.		Addition of new s159J(2) Addition of new direction in column D as follows: <i>The National Board will make the decision where the unregistered person is a person:</i> <ul style="list-style-type: none"> 1. whose registration is suspended, or 2. who is the subject of ongoing proceedings under Part 8. 	26 June 2024
Schedule 1 Functions only exercised by the National Board: s159L(2)	If a responsible tribunal has extended or substituted an interim prohibition order and the Board is satisfied the grounds on which the order was issued: <ul style="list-style-type: none"> i. no longer exist in relation to the person, or ii. did not exist at time the order was issued to the person; the Board may before either the extended or substituted order ends apply to the responsible tribunal to revoke the order.		Addition of new s159L(2) Addition of new direction in column D as follows: <i>The National Board will make the decision where the unregistered person is a person:</i> <ul style="list-style-type: none"> 1. whose registration is suspended, or 2. who is the subject of ongoing proceedings under Part 8. 	26 June 2024

Schedule 1 Functions only exercised by the National Board: s159M(2)	If a responsible tribunal has extended or substituted an interim prohibition order and the Board: i. is satisfied a different ground in s 159C(1)(a) exists; and ii. continues to reasonably believe the ground specified in s 159C(1)(b) exists, the Board may before the extended or substituted interim prohibition order ends apply to the responsible tribunal to vary the order.	Addition of new s159M(2) Addition of new direction in column D as follows: <i>The National Board will make the decision where the unregistered person is a person:</i> 1. whose registration is suspended, or 2. who is the subject of ongoing proceedings under Part 8.	26 June 2024
Schedule 1 Functions only exercised by the National Board: s159N(5)	The Board may decide that the interim prohibition order should not be published because: i. the person subject to the interim prohibition order has requested the information not be published, and ii. the Board reasonably believes that the publication of the information would present a serious risk to the health or safety of: ▪ the person, or ▪ a member of the person's family or an associate of the person.	Addition of new s159N(5) Addition of new direction in column D as follows: <i>The National Board will make the decision where the unregistered person is a person:</i> 1. whose registration is suspended, or 2. who is the subject of ongoing proceedings under Part 8.	26 June 2024
Schedule 2 Decisions delegated by the National Board: s112B(4)(a)	Board to approve the form used by an individual in their application for registration in the health profession following period of suspension.	Addition of new s112B(4)(a) Addition of new condition in column D as follows: <i>The delegation to Ahpra to approve the application form is limited to stylistic and minor changes only. Stylistic and minor changes include changes to the design of the form, dates and logo. If there is a substantive change – for instance, changes to the questions - those decisions remain with the Board.</i>	26 June 2024
Schedule 2 Decisions delegated by the National Board: s131A(2)	Board may decide to refuse to record an alternative name on the: i. public register, and ii. the practitioner's certificate of registration.	Addition of new s131A(2) Addition of new condition in column D as follows: <i>Ahpra may make a decision under s 131A(2) only if the name satisfies the definition of 'prohibited name' under s 131A(4)(a) to (c). If the refusal to include the name on the public register and on the practitioner's certificate of registration is because it is contrary to the public interest for another reason (s 131A(4)(d)), that will be a decision of the relevant committee.</i>	26 June 2024
Schedule 2 – Decisions delegated by National Board: s 82(1)(a)	Condition relating to provisional registration is removed. This will mean the delegation includes decisions to where an individual has applied for provisional registration.	Removal of condition in column D for s 82(1)(a) as follows: <i>“3. Except for the following situations where the application for registration must go to the National Board: a. an individual has applied for provisional registration.”</i>	24 October 2024
Schedule 2 – Decisions delegated by National Board: s 112(1)	Condition relating to provisional registration is removed. This will mean the delegation includes decisions to renew provisional registration in accordance with the section.	Removal of condition in column D for s 112(1) as follows: <i>“Ahpra cannot decide an application for renewal of provisional registration”</i>	24 October 2024

Preamble: Preliminary: Clause 1.1	The Osteopathy Board of Australia (the Board), pursuant to section 37 of the Health Practitioner Regulation National Law Act 2009 (the National Law), resolved to delegate its functions as specified in this Instrument of Delegation (Instrument) on 24 October 2024.	Amend the date to the date of the Board's meeting.	28 February 2025
Preamble: Preliminary: Clause 1.2	This Instrument is a complete record of the Board's resolutions with respect to the delegation of its functions. 			3. <i>the imposition of conditions on the registration of a deferred graduate is in accordance with the National Restriction Library (NRL) for supervision conditions.</i>	
	Schedule 2 Decision delegated by a National Board: s 110	Current condition in Column E reads: <i>Corresponding functions under s 80 (as listed above) apply to the Registration or Notifications Committee, IAC and Ahpra.</i>	Amend condition in Column E to read: <i>Corresponding functions under s 80 (as listed above) apply to the relevant Board, relevant committees and Ahpra.</i>	1 April 2025
	Schedule 2 Decision delegated by a National Board: s 112(1)	Current conditions in Column E read: <i>Ahpra can only decide to renew a practitioner's registration in the following circumstances:</i> SCENARIO 1 1. <i>section 111 does not apply (i.e. a practitioner has not received a notice to propose to refuse or propose to impose conditions on the renewal of their registration); or</i> SCENARIO 2 1. <i>in relation to a breach of section 133 (advertising offences) where:</i> a. <i>there has been a proposal to refuse to renew a registration or a proposal to impose conditions on a registration has been made;</i> b. <i>the practitioner has received a notice under section 111(1); and</i> c. <i>the practitioner has amended their advertising to be compliant with the requirements of section 133 following this proposal.</i> <i>Registration Committee may only refuse to renew a practitioner's registration on the basis of s 112(2)(a) on the grounds available to it under s 82 only.</i> <i>Ahpra may only refuse an application for renewal of registration where:</i> 1. <i>the Board has proposed to refuse to renew a registration;</i> 2. <i>the applicant has been given reasonable notice of the proposal to refuse their application for renewal of registration; and</i> 3. <i>either (a) or (b) applies:</i> a. <i>the applicant submitted that they accept the proposed decision; or</i> b. <i>the applicant has not made a submission in response to the proposal.</i>	Amend conditions in Column E to read: <i>Ahpra can only decide to renew a practitioner's registration (or endorsement) in the following scenarios:</i> SCENARIO 1 1. <i>S 111 does not apply (i.e. a practitioner has not received a notice to propose to refuse or propose to impose conditions on the renewal of their registration or endorsement).</i> SCENARIO 2 1. <i>In relation to a breach of s 133 (advertising offences) where:</i> a. <i>there has been a proposal to refuse to renew a registration or a proposal to impose conditions on a registration has been made;</i> b. <i>the practitioner has received a notice under s 111(1); and</i> c. <i>the practitioner has amended their advertising to be compliant with the requirements of s 133 following this proposal.</i> <i>Ahpra may only refuse an application for renewal of registration (or endorsement) where:</i> 1. <i>the Board has proposed to refuse to renew a registration (or endorsement);</i> 2. <i>the applicant has been given reasonable notice of the Board's proposal to refuse their application for renewal of registration (or endorsement); and</i> 3. <i>either (a) or (b) applies:</i> a. <i>the applicant submitted that they accept the proposed decision; or</i> b. <i>the applicant has not made a submission in response to the proposal.</i>	1 April 2025
	Schedule 2 Decision delegated by a National Board: s 112(3)	Current conditions in Column E read: PROPOSING TO IMPOSE CONDITIONS SCENARIO 1 <i>Ahpra may only propose to impose conditions on a renewal of registration where:</i> 1. <i>conditions relate to a breach of s 133 (advertising offences); and</i> 2. <i>the proposed condition adopts standard wording in accordance with the National Restriction Library.</i>	Amend conditions in Column E to read: PROPOSING TO IMPOSE CONDITIONS <i>Ahpra may only propose to impose conditions on a renewal of registration (or endorsement) in the following scenarios:</i> SCENARIO 1 1. <i>Conditions relate to:</i> a. <i>a breach of s 133 (advertising offences); or</i>	1 April 2025

SCENARIO 2

Ahpra may only propose to impose conditions on a renewal of registration where:

1. conditions relate to the completion of additional Continuing Professional Development requirements; and
2. the proposed condition is standard worded conditions in accordance with the National Restriction Library.

IMPOSING RESTRICTIONS**SCENARIO 1**

Ahpra may only impose conditions on an application for renewal of registration or endorsement on registration where:

1. the Board has proposed to impose conditions following an application on a renewal of registration on registration;
2. the applicant has been given reasonable notice of the proposal to impose conditions following an application on a renewal of registration; and
3. either (a) or (b) applies:
 - a. the applicant submitted that they accept the proposed decision; or
 - b. the applicant has not made a submission in response to the proposal.

SCENARIO 2

Ahpra may only impose conditions on a renewal of registration where:

1. conditions relate to the completion of additional Continuing Professional Development requirements; and
2. the proposed condition is standard worded conditions in accordance with the National Restriction Library.

SCENARIO 3

Ahpra may accept an undertaking on an application for renewal of registration or endorsement on registration where:

1. the Board proposed to impose conditions following an application on a renewal of registration or endorsement on registration;
2. the applicant has been given reasonable notice of the proposal to impose conditions following an application on a renewal of registration or endorsement on registration;
3. the undertaking is consistent with the wording proposed by the Board in the conditions; and
4. no additional information has come into possession that may be relevant in making the decision.

SCENARIO 4

Ahpra may accept an undertaking on an application for renewal of registration or endorsement on registration where:

- b. the completion of additional Continuing Professional Development requirements; or
- c. recency of practice conditions with re-entry; and
- d. the proposed condition adopts standard wording in accordance with the National Restriction Library (NRL).

SCENARIO 2

1. The Board has proposed to impose conditions on a renewal of registration (or endorsement);
2. the applicant has been given notice of the proposal to impose the condition(s) following an application on a renewal of registration (or endorsement), and
3. either (a) or (b) applies:
 - a. the applicant submitted that they accept the proposed decision; or
 - b. the applicant has not made a submission in response to the proposal.

IMPOSING CONDITIONS

Ahpra may only impose conditions on a renewal of registration (or endorsement) in the following scenarios:

SCENARIO 1

1. The Board has proposed to impose conditions following an application on a renewal of registration (or endorsement);
2. the applicant has been given reasonable notice of the proposal to impose conditions following an application on a renewal of registration (or endorsement); and
3. either (a) or (b) applies:
 - a. the applicant submitted that they accept the proposed decision; or
 - b. the applicant has not made a submission in response to the proposed decision.

SCENARIO 2

1. Conditions relate to:
 - a. a breach of s 133 (advertising offences); or
 - b. the completion of additional Continuing Professional Development requirements; or
 - c. recency of practice conditions with re-entry; and
2. the proposed condition is standard worded conditions in accordance with the National Restriction Library (NRL).

Ahpra may accept an undertaking on an application for renewal of registration (or endorsement) in the following scenarios:

SCENARIO 1

1. The Board proposed to impose conditions following an application on a renewal of registration (or endorsement);
2. the applicant has been given reasonable notice of the proposal to impose conditions following an

	<ol style="list-style-type: none">1. the Board proposed to renew the registration or endorsement on registration with the undertaking that was in effect immediately before the renewal,2. the applicant has been given reasonable notice of the proposal to renew the registration or endorsement on registration subject to the undertaking that was in effect immediately before the renewal,3. the applicant has accepted the Board's proposal, and4. no additional information has come into possession that may be relevant in making the decision.	<ol style="list-style-type: none">3. the undertaking is consistent with the wording proposed by the Board in the conditions; and4. no additional information has come into possession that may be relevant in making the decision. <p>SCENARIO 2</p> <ol style="list-style-type: none">1. The Board proposed to renew the registration (or endorsement) with the undertaking that was in effect immediately before the renewal;2. the applicant has been given reasonable notice of the proposal to renew the registration (or endorsement) subject to the undertaking that was in effect immediately before the renewal;3. the applicant has accepted the Board's proposal; and4. no additional information has come into possession that may be relevant in making the decision.	
Schedule 2 Decision delegated by a National Board: s 125(4)	<p>Current condition in Column E reads:</p> <p><i>Corresponding functions under s 80 (as listed above) apply to the Registration and Notifications Committee, IAC and Ahpra.</i></p> <p><i>The IAC can make a decision under section 125(4) application where the conditions or undertaking on a practitioner's or student's registration was imposed by the IAC and the ongoing part 8 action has not concluded.</i></p>	<p>Amend condition in Column E to read:</p> <p><i>Corresponding functions under s 80 (as listed above) apply to the relevant Board, relevant committees and Ahpra.</i></p> <p><i>The IAC can make a decision under section 125(4) application where the conditions or undertaking on a practitioner's or student's registration was imposed by the IAC and the ongoing part 8 action has not concluded.</i></p>	1 April 2025
Schedule 2 Decision delegated by a National Board: s 125(5)	<p>Current conditions on Ahpra's delegation in Column E read:</p> <p><i>Ahpra's delegation is only in relation to deciding to grant a s 125(5) application in the following scenarios:</i></p> <p>SCENARIO 1</p> <ol style="list-style-type: none">1. conditions were imposed in response to a breach of s 133 (Advertising offences), and2. information has been submitted to demonstrate compliance with the conditions; or <p><i>Where there is non-compliance with the s 133 conditions, the decision to refuse remains with the relevant committee and is not delegated to Ahpra.</i></p> <p>SCENARIO 2</p> <ol style="list-style-type: none">1. A practitioner has submitted evidence to the delegate that they have complied with their conditions on their registration, and2. Clinical advice is not required to determine the practitioner's compliance with their conditions. <p><i>Where clinical advice is sought the matter must be presented to the next available committee meeting and is not delegated to Ahpra.</i></p>	<p>Amend conditions on Ahpra's delegation in Column E to read:</p> <p><i>Ahpra's delegation to decide to grant a s 125(5) application is only in the following scenarios:</i></p> <p>SCENARIO 1</p> <ol style="list-style-type: none">1. Conditions were imposed in response to a breach of s. 133 (advertising offences); and2. information has been submitted to demonstrate compliance with the conditions. <p><i>Where there is non-compliance with the s 133 conditions, the decision to grant remains with the relevant Board or committee and is not delegated to Ahpra.</i></p> <p>SCENARIO 2</p> <ol style="list-style-type: none">1. A practitioner has submitted evidence to the delegate that they have complied with their conditions on their registration, or2. The restrictions relate to health or conduct, or3. The restrictions relate to performance and the relevant clinical advisor has assessed the practitioner as meeting the required standard of a registered health practitioner. <p>SCENARIO 3</p>	1 April 2025

			<p>Replace a re-entry to practice supervision requirement with a condition to undertake an approved re-entry to practice education program.</p> <p>Where clinical advice is sought outside of the scenarios listed above, the matter must be presented to the next available relevant Board or committee meeting and is not delegated to Ahpra.</p>	
Schedule 2 Decision delegated by a National Board: s 126(5)	<p>Current conditions in Column E read:</p> <p><i>The IAC can only reconsider a section 126(5) application where the conditions or undertaking on a practitioner's or student's registration were imposed by the IAC and the ongoing part 8 action has not concluded.</i></p> <p><i>Provided that the delegate reasonably believes it is necessary to change a condition imposed on a registered health practitioner's or student's registration (s 126(1)).</i></p> <p><i>Ahpra can decide to change a condition only in the following three scenarios:</i></p> <p>SCENARIO 1</p> <ol style="list-style-type: none"><i>Committee has proposed to change the condition;</i><i>subsections 126(2) and 126(4) have been complied with;</i><i>practitioner or student:</i><ol style="list-style-type: none"><i>submitted that they accept the proposed change;</i><i>or</i><i>have not made a submission;</i><i>the delegate agrees that the condition should be changed for the reasons proposed by the Board; and</i><i>no additional information has come into possession that may be relevant in making a decision.</i> <p><i>If Ahpra changes the conditions, it must advise the Committee who proposed to change the condition of the outcome.</i></p> <p>SCENARIO 2</p> <ol style="list-style-type: none"><i>conditions were imposed in response to a breach of s 133 (Advertising offences), and</i><i>information has been submitted to demonstrate compliance with the conditions; or</i> <p><i>Where there is non-compliance with the s 133 conditions, the decision to refuse remains with the relevant committee and is not delegated to Ahpra.</i></p> <p>SCENARIO 3</p> <ol style="list-style-type: none"><i>A practitioner has submitted evidence to the delegate that they have complied with their conditions on their registration, and</i><i>Clinical advice is not required to determine the practitioner's compliance with their conditions.</i> <p><i>Where clinical advice is sought the matter must be presented to the next available committee meeting.</i></p>	<p>Amend conditions in Column E to read:</p> <p><i>The IAC can only reconsider a section 126(5) application where the conditions or undertaking on a practitioner's or student's registration were imposed by the IAC and the ongoing part 8 action has not concluded.</i></p> <p><i>The relevant delegate must hold a reasonable belief that it is necessary to change a condition imposed on a registered health practitioner's or student's registration (s 126(1)).</i></p> <p><i>Ahpra can only decide to change a condition in the following scenarios:</i></p> <p>SCENARIO 1</p> <ol style="list-style-type: none"><i>The committee has proposed to change the condition;</i><i>ss 126(2) and 126(4) have been complied with; and</i><i>practitioner or student:</i><ol style="list-style-type: none"><i>submitted that they accept the proposed change; or</i><i>have not made a submission.</i> <p><i>If Ahpra changes the conditions, it must advise the relevant Board or committee who proposed to change the condition of the outcome.</i></p> <p>SCENARIO 2</p> <p><i>The change is to increase the number of supervised practice hours required to address a shortfall in meeting recency of practise requirements since the date the restrictions were imposed.</i></p> <p><i>Where clinical advice is sought outside of the scenarios listed above, the matter must be presented to the next available relevant Board or committee meeting and is not delegated to Ahpra.</i></p>	1 April 2025	

Schedule 2 Decision delegated by a National Board: s 127(2)	Current conditions in Column E read: <i>The IAC can only reconsider a section 127(2) application where the conditions or undertaking on a practitioner's or student's registration were imposed by the IAC and the ongoing part 8 action has not concluded.</i> <i>Relevant delegate reasonably believes its necessary to remove the condition or revoke the undertaking (s 127(1)).</i> <i>Ahpra can make a section 127(2) decision in the following scenarios:</i> SCENARIO 1 1. conditions were imposed in response to a breach of s 133 (Advertising offences), and 2. information has been submitted to demonstrate compliance with the conditions; or <i>Where there is non-compliance with the s 133 conditions, the decision to refuse remains with the relevant committee and is not delegated to Ahpra.</i> SCENARIO 2 1. A practitioner has submitted evidence to the delegate that they have complied with their conditions on their registration, and 2. Clinical advice is not required to determine the practitioner's compliance with their conditions. <i>Where clinical advice is sought, the matter must be presented to the next available committee meeting.</i>	Amend conditions in Column E to read: <i>The IAC can only reconsider a section 127(2) application where the conditions or undertaking on a practitioner's or student's registration were imposed by the IAC and the ongoing part 8 action has not concluded.</i> <i>The relevant delegate must hold a reasonable belief that it is necessary to remove a condition imposed or revoke the undertaking on a registered health practitioner's or student's registration (s 127(1)).</i> <i>Ahpra can make a s 127(2) decision in the following scenarios:</i> SCENARIO 1 1. Conditions were imposed in response to a breach of s 133 (advertising offences); and 2. information has been submitted to demonstrate compliance with the conditions. SCENARIO 2 1. A practitioner has submitted evidence to the delegate that they have complied with their conditions and/or undertaking on their registration; or 2. The restrictions relate to health or conduct; or 3. The restrictions relate to performance and the relevant clinical advisor has assessed the practitioner as meeting the required standard of a registered health practitioner. <i>Where clinical advice is sought outside of the scenarios listed above, the matter must be presented to the next available relevant Board or committee meeting and is not delegated to Ahpra.</i>	1 April 2025
Schedule 2 - Decisions delegated by the National Board: s 150A(4), 150C(4)	Current description reads: <i>In respect of decisions made under s 150A(1) (excl Qld Act) or s 150C(4) (Qld Act), the Board may ask the other entity to give the Board information about how the subject matter of the referred matter or the part of the referred matter was resolved.</i>	Amend 150C(4) to 150C(1) in the description.	1 April 2025
Schedule 2 Decision delegated by a National Board: s 156(1)	Current conditions in Column E read: <i>Ahpra may only make a decision if:</i> 1. the decision to take immediate action is consistent with the Board's proposal; 2. section 157 has been complied with; 3. the practitioner or student has either: a. accepted the proposed action; or b. not made submissions in response to the proposed immediate action; 4. the delegate agrees that immediate action should be taken for the reasons proposed by the Board; and 5. no additional information has come into possession that may be relevant in the making an interim decision.	Amend conditions in Column E to read: <i>Ahpra may only make a decision if:</i> 1. the decision to take immediate action is consistent with the Board's proposal; 2. s 157 has been complied with; 3. the practitioner or student has either: a. accepted the proposed action; or b. not made submissions in response to the proposed immediate action; 4. the delegate agrees that immediate action should be taken for the reasons proposed by the Board; and 5. no additional information has come into possession that may be relevant in making an interim decision.	1 April 2025

		<i>Ahpra must advise the relevant committee of the outcome of its proposal.</i>	<i>Ahpra must advise the relevant Board or committee of the outcome of its proposal.</i>	
Schedule 2 Decision delegated by a National Board: s 160(1)	<p>Current conditions in Column E read:</p> <p><i>Ahpra to commence an investigation under s 160(1)(a) or (b) where:</i></p> <ol style="list-style-type: none"><i>s 150(4) applies to require an investigation; or</i><i>where further information is necessary to progress the management of a matter and it is impractical in the circumstances to await a Committee meeting.</i> <p><i>Ahpra may commence a compliance investigation under s160(1)(c) where:</i></p> <ol style="list-style-type: none"><i>an instrument imposing an obligation through a registration condition or undertaking does not empower Ahpra to collect information necessary to monitor compliance; and</i><i>the information sought through an investigation is necessary to assure compliance with a registration condition or undertaking.</i> <p><i>The relevant committee must be notified following a s 160(1) decision made by Ahpra.</i></p>	<p>Amend conditions in Column E to read:</p> <p><i>Ahpra to commence an investigation under s 160(1)(a) or (b) where:</i></p> <ol style="list-style-type: none"><i>s 150(4) applies to require an investigation; or</i><i>further information is necessary to progress the management of a matter and it is impractical in the circumstances to await a committee meeting.</i> <p><i>Ahpra may commence a compliance investigation under s160(1)(c) where:</i></p> <ol style="list-style-type: none"><i>an instrument imposing an obligation through a registration condition or undertaking does not empower Ahpra to collect information necessary to monitor compliance; and</i><i>the information sought through an investigation is necessary to assure compliance with a registration condition or undertaking.</i> <p><i>The relevant Board or committee must be notified following a s 160(1) decision made by Ahpra.</i></p>	1 April 2025	
Schedule 2 Decision delegated by a National Board: s 178(2)	<p>Current conditions in Column E read:</p> <p><i>The relevant delegate holds a reasonable belief (s 178(1)(a)).</i></p> <p><i>Ahpra may only make a decision under s 178(2) if:</i></p> <ol style="list-style-type: none"><i>s 179(1) has been complied with or, if s 179(1) does not apply, the practitioner / student has been afforded a reasonable opportunity to show cause as to why relevant action should not be taken;</i><i>practitioner or student has:</i><ol style="list-style-type: none"><i>submitted that they accept the action proposed;</i><i>or</i><i>not made a submission in response to the proposed relevant action;</i><i>delegate agrees that relevant action should be taken for the reasons proposed by the Board and holds the reasonable belief (s 178(1)(a)); and</i><i>no additional information has come into possession that may be relevant in making a determinative decision.</i> <p><i>Ahpra must advise the relevant committee who proposed the relevant action of the outcome of its proposal.</i></p> <p><i>Notwithstanding the limitation above, Ahpra may only propose conditions under s 178(2)(c) where:</i></p> <ol style="list-style-type: none"><i>conditions relate to a breach of s 133 (advertising offences), and</i><i>the proposed condition must be standard worded conditions in accordance with the National Restriction Library.</i>	<p>Amend conditions in Column E to read:</p> <p><i>The relevant delegate must hold a reasonable belief (s 178(1)(a)).</i></p> <p><i>Ahpra may only make a decision under s 178(2) if:</i></p> <ol style="list-style-type: none"><i>s 179(1) has been complied with or, if s 179(1) does not apply, the practitioner / student has been afforded a reasonable opportunity to show cause as to why relevant action should not be taken;</i><i>practitioner or student has:</i><ol style="list-style-type: none"><i>submitted that they accept the action proposed;</i><i>or</i><i>not made a submission in response to the proposed relevant action;</i><i>delegate agrees that relevant action should be taken for the reasons proposed by the Board; and</i><i>no additional information has come into possession that may be relevant in making a determinative decision.</i> <p><i>Ahpra must advise the relevant Board or committee who proposed the relevant action of the outcome of its proposal.</i></p> <p><i>Notwithstanding the limitation above, Ahpra may only propose conditions under s 178(2)(c) where:</i></p> <ol style="list-style-type: none"><i>conditions relate to a breach of s 133 (advertising offences); and</i><i>the proposed condition must be standard worded conditions in accordance with the National Restriction Library (NRL).²</i>	1 April 2025	

			² <i>The National Director, Compliance must be advised once a decision under s 178 has been made in relation to a monitoring and compliance matter which involves advertising.</i>	
Schedule 2 Decision delegated by a National Board: s 179(2)	<p>Current conditions in Column E read:</p> <p><i>Ahptra may only decide to take no further action under s 179(2)(a):</i></p> <p>1. <i>in relation to breaches of s 133 (advertising offences).</i></p> <p><i>The relevant delegate holds a reasonable belief (s 178(1)(a)).</i></p> <p><i>Ahptra may only make a decision under s 179(2)(b)(i) if:</i></p> <p>1. <i>section 179(1) has been complied with or, if s 179(1) does not apply, the practitioner / student has been afforded a reasonable opportunity to show cause as to why relevant action should not be taken;</i></p> <p>2. <i>practitioner or student has:</i></p> <p>a. <i>submitted that they accept the action proposed;</i> or b. <i>not made a submission in response to the proposed relevant action;</i></p> <p>3. <i>delegate agrees that relevant action should be taken for the reasons proposed by the Board; and</i></p> <p>4. <i>no additional information has come into possession that may be relevant in making a determinative decision.</i></p> <p><i>Ahptra must advise the relevant committee of the outcome of its proposal.</i></p>	<p>Amend conditions in Column E to read:</p> <p><i>The relevant delegate must hold a reasonable belief (s 178(1)(a)).</i></p> <p><i>Ahptra may only decide to take no further action under s 179(2)(a):</i></p> <p>1. <i>in relation to breaches of s 133 (advertising offences).</i></p> <p><i>Ahptra may only make a decision under s 179(2)(b)(i) if:</i></p> <p>1. <i>s 179(1) has been complied with or, if s 179(1) does not apply; the practitioner / student has been afforded a reasonable opportunity to show cause as to why relevant action should not be taken;</i></p> <p>2. <i>practitioner or student has:</i></p> <p>c. <i>submitted that they accept the action proposed;</i> or d. <i>not made a submission in response to the proposed relevant action;</i></p> <p>3. <i>delegate agrees that relevant action should be taken for the reasons proposed by the Board; and</i></p> <p>4. <i>no additional information has come into possession that may be relevant in making a determinative decision.</i></p> <p><i>Ahptra must advise the relevant Board or committee of the outcome of its proposal.</i></p>	1 April 2025	
Schedule 2 - Decisions delegated by the National Board: s 193A(1) and (2) (Qld Act)	Board must refer a matter to the Health Ombudsman if requested to do so by the health ombudsman and if a panel has notified the Board that the matter is to be referred the responsible tribunal.	Removal of section 193A(1) and (2) (Qld Act) from Column B. Addition of section 193A(1) and (2) (Qld Act) to Column D. Addition of conditions in Column E: <i>Ahptra can exercise the power to refer a practitioner to a responsible tribunal if:</i>	1 April 2025	
Schedule 2 - Decisions delegated by the National Board: s 193B(1) and (2) (Qld Act)	Board's referral to Tribunal at panel's or ombudsman's request.	Removal of section 193B(1) and (2) (Qld Act) from Column B. Addition of section 193B(1) and (2) (Qld Act) to Column D. Addition of conditions in Column E: <i>Ahptra can exercise the power to refer a practitioner to a responsible tribunal if:</i>	1 April 2025	

	Schedule 2 Decision delegated by a National Board: s 226(3)	<p>Current conditions in Column E read:</p> <p><i>Ahpra is only delegated the power to decide to remove information that a registered health practitioner has been reprimanded from the register under s 226(3) where:</i></p> <ol style="list-style-type: none"> <i>1. the reprimand has been published for 5 years or longer; and</i> <i>2. there has not been a 'Relevant Event' in the preceding 5 years.</i> <p><i>Ahpra is only delegated the power to refuse a request to remove a reprimand under s 226(3) where:</i></p> <ol style="list-style-type: none"> <i>1. the Committee has issued a written notice to the registered health practitioner proposing to refuse to remove the reprimand, and</i> <i>2. the practitioner has not provided a response to the notice or has indicated they intend not to make submissions.</i> 	Amend “the Committee” to “the relevant Board or committee” in second Item 1 of the conditions in Column E.	1 April 2025
