Dear A/Prof Williams

**Approval of the Podiatry Board of Australia's revised specialist registration standard**

Thank you for your letter of 23 November 2022 on behalf of the Podiatry Board of Australia, recommending approval of the revised *Registration standard - Specialist registration for the podiatry specialty of podiatric surgery*.

I am pleased to advise that the Ministerial Council has agreed to approve the revised registration standard, in accordance with section 12 of the Health Practitioner Regulation National Law, as in force in each state and territory.

Ministers also agree with your recommendation that the revised specialist registration standard take effect six months after receipt of our approval, so that you have time to further communicate the minor editorial and structural changes to the profession before the revised standard takes effect.

Thank you for bringing the Board's proposal to Health Ministers.

Yours sincerely

Ms Rachel Stephen-Smith MLA
