3. Delegation of Board functions

3.1 Principles of delegation:

- 3.1.1 The purpose of this Instrument is to allow the Board to discharge its functions as set out in section 35 of the National Law and the *Trans-Tasman Mutual Recognition Act*.
- 3.1.2 To the extent that the Board's functions are capable of being delegated, the Board delegates its functions to Ahpra and the committees of the Board as set out in Schedules 2 and 3 of this Instrument.
- 3.1.3 The delegations in Schedule 2 of this Instrument are subject to any conditions placed on the delegations made under s 37(1) by the National Boards. These conditions are set out in Column E of Schedule 2 of this Instrument and describe the legal conditions that have an effect on the delegable power.
- 3.1.4 The delegations in Schedule 3 of this Instrument are subject to any conditions placed on the delegations made under s 37(1) by the National Boards. These conditions are set out in Column E of Schedule 3 of this Instrument and describe the legal conditions that have an effect on the delegable power.
- 3.1.5 A delegate may in the performance of a delegated function do anything that is incidental to the delegated function.
- 3.1.6 A delegation does not derogate from the power of the Board to act itself in the matter, so long as the delegate has not yet exercised the function or power.
- 3.1.7 A delegate may only exercise a function, or make a decision, subject to the conditions imposed on the delegated function. If the decision to be made is not within the condition which applies to the delegated function, or the delegate is not sure what the decision should be, the delegate must not make the decision. The delegate may, however, make recommendations to the National Board or another delegate.
- 3.1.8 The underlying intention in establishing such delegation is to facilitate the effective and efficient operation of the national accreditation and registration scheme.

3.2 Powers and functions that can only be exercised by the Board are detailed in Schedule 1 of this Instrument.

- 3.5.8 The Board's decision, including any delegate decision must be consistent with the National Board guidelines and/or policies that are in force from time to time.
