

## Step-by-step guide: I previously held limited registration and need to complete a competence assessment

Use this guide if you

- previously held limited registration
- need to apply for limited registration again to complete a competence assessment

### About this step-by-step guide

Use this step-by-step guide to answer the initial questions in the online form. This will help us find the right application form for you.

Before you start, **check** you're on the right path. You can do this on the [Occupational Therapy Board website](#).

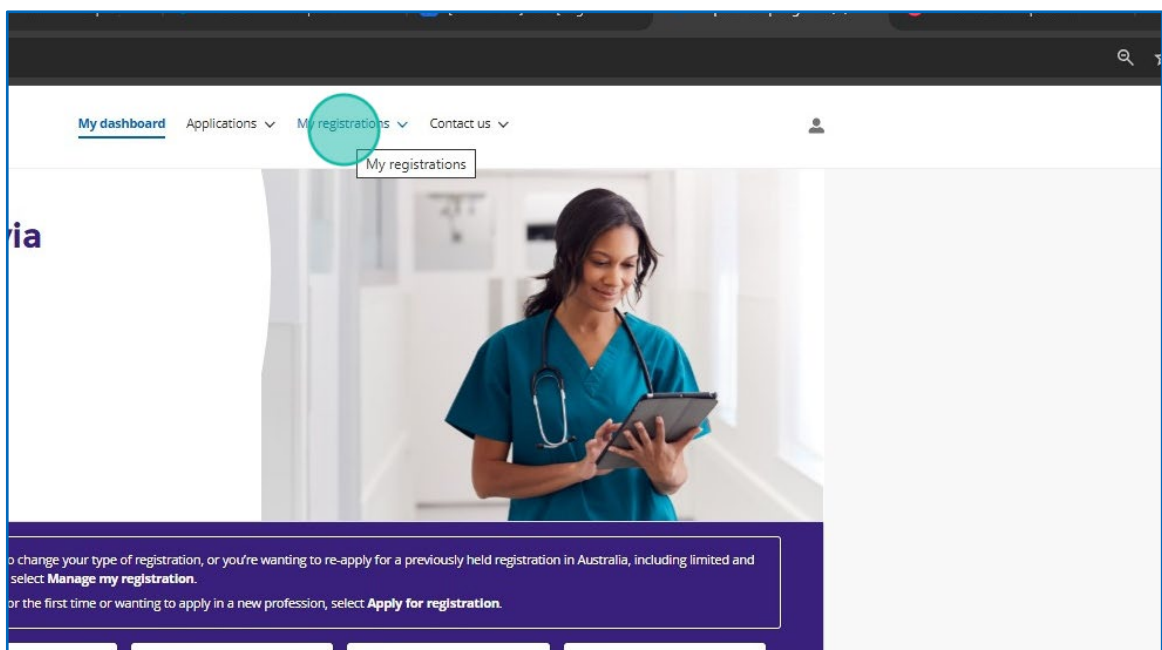

**Gather** the information you need. You can find out more on the Ahpra [Applying for Registration](#) page.

When you have everything, **log in to apply**

- if you have an account already – [start here](#)
- if you don't have an Ahpra account, you can [set one up here](#)

**How to apply**

**1. Answer all application questions**

Complete your application by answering all questions and supplying the documentation required to prove you meet all the requirements for registration. This includes information about any health impairments, criminal history, or English language skills. It is important that you refer to the National Board's registration standards, codes and guidelines before completing this application. The form will guide you on the questions and sections required to be completed. Please carefully review the information you supply to ensure it is complete and accurate. You can save and resume your application at any time but have 90 days to complete your application. Unsubmitted applications will be deleted after 90 days, but we will remind you to complete your application prior to it being deleted.

**2. Upload your supporting documents**

**3. Review and make payment**

**4. Complete your identity check (if applicable)**

**5. Your application is submitted**

**Acknowledgement of Country**

Ahpra and the National Boards acknowledge the Traditional Owners of Country throughout Australia and their continuing connection to lands, waters and communities. We pay our respects to Aboriginal and Torres Strait Islander cultures and Elders past and present. The National Scheme is committed to patient safety for Aboriginal and Torres Strait Islander Peoples. Through shared leadership and application of the National Law, we work to ensure that Aboriginal and Torres Strait Islander Peoples have access to, and work within, a health system that is culturally safe and free from racism.
