

Approved list of comparable international regulatory jurisdictions – for the purpose of the Registration standard: General Registration for internationally qualified registered nurses

As at April 2025

An NMBA-approved comparable international jurisdiction (country, state or province) possesses comparable regulatory approaches, regulatory standards for education and registration, regulatory processes, and procedures for the registration of internationally qualified registered nurses.

The list of NMBA-approved comparable international regulatory jurisdictions (as amended from time-to-time after consultation) will be published on the NMBA's website, along with the additional requirements for general registration in Australia.

The NMBA-approved comparable international jurisdictions for the purpose of the *Registration standard: General registration for internationally qualified registered nurses* are:

- United Kingdom
- Ireland
- United States
- Canadian provinces of British Columbia and Ontario
- Singapore
- Spain
