Schedule 2 Decisions delegated by the National Board: S 83A	-	Addition of new section 83A. Addition of new section description as follows: <i>If the Board decides to register a person in the health profession, the Board may accept any undertaking from the person if the Board considers it necessary or desirable in the circumstances.</i> Addition of section to column B (i.e. RNC).	12 May 2023
Schedule 2 Decisions delegated by the National Board: Division 6A	-	Addition of new division 6A	12 May 2023
Schedule 2 Decisions delegated by the National Board: S 85A	-	Addition of new section 85A Addition of new section description as follows: <i>Board may propose to withdraw the registration of a registered health practitioner if the Board:</i> <i>i. reasonably believes the practitioner's registration was improperly obtained because the practitioner, or</i> <i>ii. someone else gave the Board information or a document that was false or misleading in a material particular.</i> Addition of section to column B (i.e. RNC).	12 May 2023
Schedule 2 Decisions delegated by the National Board: S 85C(a)	-	Addition of new section 85C(a) Addition of new section description as follows: <i>Board may decide that the registration was not improperly obtained on the ground the registered health practitioner or someone else gave the Board information</i>	12 May 2023

			or a document that was false or misleading in a material particular; and take no further action. Addition of section to column B (i.e. RNC).	
Schedule 2 Decisions delegated by the National Board: S 85C(b)	-		Addition of new section 85C(b) Addition of new section description as follows: <i>Board may decide that the registration was improperly obtained because the practitioner or someone else gave the Board information or a document that was false or misleading in a material particular and do one or more of the following—</i> <i>i. withdraw the practitioner’s registration;</i> <i>ii. refer the matter to a responsible tribunal;</i> <i>iii. take other appropriate action under Part 8.</i> Addition of section to column B (i.e. RNC).	12 May 2023
Schedule 2 Decisions delegated by the National Board: s 112(3)	Current description read: <i>Board decides to renew a registration, including any endorsement on registration, the registration or the endorsement subject to any conditions the registration was subject to immediately before the renewal and any condition the Board considers necessary or desirable.</i> Current conditions read: PROPOSING TO IMPOSE CONDITIONS SCENARIO 1 <i>Ahpra may only propose to impose conditions on a renewal of registration or endorsement where:</i> <i>1. conditions relate to a breach of s 133 (advertising offences); and</i> <i>2. the proposed condition is standard worded conditions in accordance with the National Restrictions Library.</i> SCENARIO 2 <i>Ahpra may only propose to impose conditions on a renewal of registration or endorsement where:</i> <i>1. conditions relate to the completion of additional Continuing Professional Development requirements; and</i> <i>2. the proposed condition is standard worded conditions in accordance with the National Restriction Library.</i> IMPOSING CONDITIONS SCENARIO 1 <i>Ahpra may only impose conditions on an application for renewal of registration or endorsement on registration where:</i> <i>1. the Board has proposed to impose conditions following an application on a renewal of registration or endorsement on registration;</i> <i>2. the applicant has been given reasonable notice of the proposal to impose conditions following an application on a renewal of registration or endorsement on registration; and</i> <i>3. either (a) or (b) applies:</i> <i>a. the applicant submitted that they accept the proposed decision; or</i>	Amend description to read: <i>Board decides to renew a registration, including any endorsement on registration, the registration or the endorsement subject to:</i> <i>1. any conditions the registration was subject to immediately before the renewal,</i> <i>2. any condition the Board considers necessary or desirable in the circumstances,</i> <i>3. any undertaking given by the applicant to the Board that was in effect immediately before the renewal, and</i> <i>4. any undertaking given by the applicant to the Board that the Board considers necessary or desirable in the circumstances.</i> Amend conditions to read: PROPOSING TO IMPOSE CONDITIONS SCENARIO 1 <i>Ahpra may only propose to impose conditions on a renewal of registration or endorsement where:</i> <i>1. conditions relate to a breach of s 133 (advertising offences); and</i> <i>2. the proposed condition adopts standard wording in accordance with the National Restrictions Library.</i> IMPOSING RESTRICTIONS SCENARIO 1 <i>Ahpra may only impose conditions on an application for renewal of registration or endorsement on registration where:</i> <i>1. the Board has proposed to impose conditions following an application on a renewal of registration or endorsement on registration;</i> <i>2. the applicant has been given reasonable notice of the proposal to impose conditions following an application on a renewal of registration or endorsement on registration; and</i> <i>3. either (a) or (b) applies:</i> <i>a. the applicant submitted that they accept the proposed decision; or</i>	12 May 2023	

	<p>b. the applicant has not made a submission in response to the proposed decision.</p> <p>SCENARIO 2</p> <p>Ahpra may only impose conditions on a renewal of registration or endorsement where:</p> <ol style="list-style-type: none">conditions relate to the completion of additional Continuing Professional Development requirements; andthe proposed condition is standard worded conditions in accordance with the National Restriction Library.	<p>b. the applicant has not made a submission in response to the proposed decision.</p> <p>SCENARIO 2</p> <p>Ahpra may accept an undertaking on an application for renewal of registration or endorsement on registration where:</p> <ol style="list-style-type: none">the Board proposed to renew the registration or endorsement on registration with the undertaking that was in effect immediately before the renewal,the applicant has been given reasonable notice of the proposal to renew the registration or endorsement on registration subject to the undertaking that was in effect immediately before the renewal,the applicant has accepted the Board's proposal, andno additional information has come into possession that may be relevant in making the decision.	
Schedule 2 Decisions delegated by the National Board: s 125(5)	Current description read: <i>Board must decide to grant or refuse to grant the application to change or remove conditions or undertaking on a registered health practitioner's or student's registration.</i>	Amend description to read: <i>Board must decide to grant or refuse to grant the application to change or remove conditions or undertaking on a registered health practitioner's registration or endorsement or student's registration.</i>	12 May 2023
Schedule 2 Decisions delegated by the National Board: s 126(5)	Current description read: <i>Board must decide whether to change the condition(s) on a registered health practitioner's or student's registration on its own initiative.</i>	Amend description to read: <i>Board must decide whether to change the condition(s) on a registered health practitioner's registration or endorsement or student's registration on its own initiative.</i>	12 May 2023
Schedule 2 Decisions delegated by the National Board: s 127(2)	Current description read: <i>Board may decide to remove the condition or revoke the undertaking if it reasonably believes the condition(s) imposed or undertaking given is no longer necessary.</i>	Amend description to read: <i>Board may decide to remove the condition or revoke the undertaking on a practitioner's registration or endorsements or a student's registration if it reasonably believes the condition(s) imposed or undertaking given is no longer necessary.</i>	12 May 2023
Schedule 2 Decisions delegated by the National Board: s 149A	-	Addition of new section 149A Addition of new section description as follows: <i>Board may require the person to give specified information or produce specified documents to the Board within a specified reasonable time and in a specified reasonable way.</i> Addition of section to column D (i.e. Ahpra).	12 May 2023
Schedule 2 Decisions delegated by the National Board: s 149B(1)	-	Addition of new section 149B(1) Addition of new section description as follows: <i>If a document is produced to the Board, the Board may inspect it, make a copy of it, or keep it while necessary for the preliminary assessment.</i> Addition of section to column D (i.e. Ahpra).	12 May 2023
Schedule 2 Decisions delegated by the National Board: 150A(1) (excl Qld Act) 150C(1) (Qld Act)	-	Addition of new section 150A(1) (excl Qld Act) 150C(1) (Qld Act) Addition of new section description as follows: <i>Board may decide to refer the subject matter, or part of the subject matter, to be dealt with by another entity.</i> Addition of section to column D (i.e. Ahpra).	12 May 2023

Schedule 2 Decisions delegated by the National Board: 150A(4) (excl Qld Act) 150C(4) (Qld Act)	-	<p>Addition of new section 150A(4) (excl Qld Act) 150C(4) (Qld Act)</p> <p>Addition of new section description as follows: <i>In respect of decisions made under s 150A(1) (excl Qld Act) or s 150C(4) (Qld Act), the Board may ask the other entity to give the Board information about how the subject matter of the referred matter or the part of the referred matter was resolved.</i></p> <p>Addition of section to column D (i.e. Ahpra).</p>	12 May 2023
Schedule 2 Decisions delegated by the National Board: 151(1)	<p>Current description read: <i>Board decides to take no further action in relation to a notification:</i></p> <ol style="list-style-type: none"> <i>frivolous, vexatious, misconceived or lacking in substance</i> <i>amount of time elapsed,</i> <i>the person is no longer registered,</i> <i>subject matter already been dealt with</i> <i>being dealt with by another entity or been referred by Board to another entity, or</i> <i>registered health practitioner has taken appropriate steps to remedy the subject matter of notification.</i> <p>Current conditions read: <i>Delegation of s 151(1)(e) to Ahpra only applies where the Board's delegate and the HCE have agreed that the HCE will deal with the subject matter of the notification, under s 150(3).</i></p>	<p>Amend description to read: <i>Board decides to take no further action in relation to a notification:</i></p> <ol style="list-style-type: none"> <i>if it is frivolous, vexatious, misconceived or lacking in substance</i> <i>given the amount of time elapsed,</i> <i>if the person is no longer registered,</i> <i>the subject matter already been dealt with</i> <i>the subject matter of the notification,</i> <ol style="list-style-type: none"> <i>is being dealt with by another entity or been referred by Board to another entity, or</i> <i>has been referred by the Board under ss 150 or 150A to another entity to be dealt with,</i> <i>the registered health practitioner has taken appropriate steps to remedy the subject matter of notification.</i> 	12 May 2023
Schedule 2 Decisions delegated by the National Board: 151(1A)	-	<p>Addition of new section 151(1A)</p> <p>Addition of new section description as follows: <i>Board may decide to take no further action in relation to part of a referred matter if the subject matter or the part of the referred matter has been referred by the Board under ss 150 or 150A (s 150C (Qld Act)) to another entity to be dealt with by that entity.</i></p> <p>Addition of section to column D (i.e. Ahpra).</p> <p>Addition of conditions at column E: <i>Delegation of s 151(1A) to Ahpra only applies where the Board's delegate and the HCE have agreed that the HCE will deal with the subject matter, or part of the referred matter.</i></p>	12 May 2023
Schedule 2 Decisions delegated by the National Board: Division 7B	-	Addition of new division 7B	12 May 2023
Schedule 2 Decisions delegated by the National Board: 159Q(1)	-	<p>Addition of new section 159Q(1)</p> <p>Addition of new section description as follows: <i>Board may make a public statement if, in the Board's reasonable belief, the person:</i></p> <ol style="list-style-type: none"> <i>has contravened a relevant provision, or</i> <i>is the subject of an assessment, investigation or other proceedings under Part 8</i> <p>Addition of section to column C (i.e. IAC)</p>	12 May 2023

Schedule 2 Decisions delegated by the National Board: 159R(2)	-	Addition of new section 159R(2) Addition of new section description as follows: <i>Board must decide, following consideration of the show cause submission, either :</i> <i>i. not to make the public statement; or</i> <i>ii. to make the public statement as proposed; or</i> <i>iii. to make the public statement in a different way or with different content.</i> Addition of section to column C (i.e IAC)	12 May 2023
Schedule 2 Decisions delegated by the National Board: 159S(1)	-	Addition of new section 159S(1) Addition of new section description as follows: <i>Board may revise the public statement made under s 159R(2) if the Board reasonably believes it is necessary in the circumstances.</i> Addition of section to column C (i.e IAC)	12 May 2023
Schedule 2 Decisions delegated by the National Board: 159T(1)	-	Addition of new section 159T(1) Addition of new section description as follows: <i>Board must revoke the public statement if the Board is satisfied the grounds on which the public statement was made :</i> <i>i. no longer exist in relation to the person; or</i> <i>ii. did not exist at the time the statement was made.</i> Addition of section to column C (i.e IAC)	12 May 2023
Schedule 2 Decisions delegated by the National Board: 179(2)	Current description read: <i>Board must decide to take no action or to take relevant action and/or refer the matter to another entity in relation to a registered health practitioner or student.</i>	Amend description to read: <i>Board must decide in relation to a registered health practitioner or student to:</i> <i>i. take no action,</i> <i>ii. take the proposed relevant action or other relevant action,</i> <i>iii. take other action under Part 8, or</i> <i>iv. refer the matter to another entity.</i>	12 May 2023
Schedule 2 Decisions delegated by the National Board: 193(1) (excl Qld Act)	Current description read: <i>Board must refer a matter about a registered health practitioner or student to a responsible tribunal if it reasonably believes that the practitioner/student has behaved in a way that constitutes professional misconduct, their registration was improperly obtained or if it is referred from a panel.</i> No conditions	Add in "excl Qld Act" after the section number. Amend the description to read: <i>Board must refer a matter about a registered health practitioner or student to a responsible tribunal if it reasonably believes based on a notification or for any other reason, that the practitioner/student has behaved in a way that constitutes professional misconduct, or if it is referred from a panel.</i>	12 May 2023
Schedule 2 Decisions delegated by the National Board: 193(1) (Qld Act)	Current description read: <i>Board must notify the Health Ombudsman if the Board forms a reasonable belief that the behaviour is professional misconduct or another ground for suspension or cancellation or a panel notified the Board of the panel's belief.</i> No conditions	Amend the description to read: <i>Board must notify the Health Ombudsman if the Board forms a reasonable belief based on a complaint or for any other reasons that the behaviour is professional misconduct or there is another ground for suspension or cancellation or a panel notified the Board of the panel's belief.</i>	12 May 2023
Schedule 2 Decisions delegated by the National Board: 193A(1) (excl Qld Act) 193C(1) (Qld Act)	-	Addition of new section 193A(1) (excl Qld Act) 193C(1) (Qld Act) Addition of new section description as follows: <i>Board may decide not to refer a matter about a registered health practitioner mentioned in s 193(1)(a) (excl Qld Act) to a responsible tribunal if the Board decides there is no public interest in the matter being heard by a responsible tribunal.</i>	12 May 2023

			Addition of section to columns B (i.e. RNC)	
Schedule 2 Decisions delegated by the National Board: Division 14	-		Addition of new division 14	12 May 2023
Schedule 2 Decisions delegated by the National Board: 206(2)	-		<p>Addition of new section 206(2)</p> <p>Addition of new section description as follows:</p> <p><i>Following either the receipt of or awareness of the practitioner's practice information, Board may give written notice of the decision to:</i></p> <ul style="list-style-type: none"> <i>i. the named registered health practitioners with whom the practitioner currently shares premises and the cost of the premises; and</i> <i>ii. the named registered health practitioners with whom the practitioner previously shared premises and the cost of the premises if the Board reasonably believes the practitioner's health, conduct or performance while the practitioner shared the premises with the registered health practitioners posed a:</i> <ul style="list-style-type: none"> <i>a. risk of harm to a person or a class of persons; or</i> <i>b. risk to public health or safety.</i> <p>Addition of section to column D (i.e. Ahpra)</p>	12 May 2023
Schedule 2 Decisions delegated by the National Board: 206(3)(b)	-		<p>Addition of new section 206(3)(b)</p> <p>Addition of new section description as follows:</p> <p><i>Following application of s 206(1), a written notice of the decision may be provided to an entity which the registered health practitioner had a previous practice arrangement with and the Board believes that the practitioner's health, conduct or performance whilst they were at that entity posed a risk of harm to a person or a class of person or a risk to public health or safety.</i></p> <p>Addition of section to column D (i.e. Ahpra)</p>	12 May 2023
Schedule 2 Decisions delegated by the National Board: 220A(2) and (5)	-		<p>Addition of new section 220A(2) and (5)</p> <p>Addition of new section description as follows:</p> <p><i>Following either the receipt of, or awareness of the practitioner's practice information as defined in s 132(4)(a), the Board may give written notice of the risk and any relevant information about the practitioner to the named registered health practitioners with whom the practitioner currently shares premises and the cost of the premises if it is in the public interest to do so.</i></p> <p>Addition of section to column C (i.e. IAC)</p>	12 May 2023
Schedule 2 Decisions delegated by the National Board: 220A(3) and (5)	-		<p>Addition of new section 220A(3) and (5)</p> <p>Addition of new section description as follows:</p> <p><i>Following either the receipt of, or awareness of the practitioner's practice information as defined in s 132(4)(b), the Board must give written notice of the risk</i></p>	12 May 2023

			<p>and any relevant information about the practitioner to a named entity that has a current practice arrangement with the practitioner if it is in the public interest to do so.</p> <p>Addition of section to column C (i.e. IAC)</p>	
Schedule 2 Decisions delegated by the National Board: 220B(2)	-		<p>Addition of new section 220B(2)</p> <p>Addition of new section description as follows: <i>If the Board holds a reasonable belief pursuant to s 220B(1)(a), the Board may give written notice of the risk, and any relevant information about the unregistered person, to the registered health practitioners or entities mentioned in s 220B(1)(b).</i></p> <p>Addition of section to column D (i.e. Ahpra)</p>	12 May 2023
Schedule 2 Decisions delegated by the National Board: 226(1)	Current description read: <i>Board may decide not to include or remove information from the public register in relation to a registered health practitioner.</i> Each subsection was broken down and delegated to the various committees.		<p>Addition of new s 226(1)</p> <p>Addition of new section description as follows: <i>Board may decide that a condition imposed on a practitioner's registration, or an undertaking accepted from the practitioner because the practitioner has an impairment is not recorded on the public register if it is necessary to protect the practitioner's privacy and there is no overriding public interest for the condition or undertaking to be recorded.</i></p> <p>Addition of section to columns C and D (i.e. IAC and Ahpra)</p>	12 May 2023
Schedule 2 Decisions delegated by the National Board: 226(2)	Current description read: <i>Board may decide not to include or remove information from the public register in relation to a registered health practitioner.</i> Each subsection was broken down and delegated to the various committees.		<p>Addition of new s 226(2)</p> <p>Addition of new section description as follows: <i>Following a request from the practitioner, the Board may decide that information relating to a practitioner should not be recorded on the public register because the Board reasonably believes that the inclusion of the information would present a serious risk to the health or safety of the practitioner or a member of the practitioner's family or an associate of the practitioner.</i></p> <p>Addition of section to columns B and C (i.e. RNC and IAC)</p>	12 May 2023
Schedule 2 Decisions delegated by the National Board: 226(2A)	Current description read: <i>Board may decide not to include or remove information from the public register in relation to a registered health practitioner.</i> Each subsection was broken down and delegated to the various committees.		<p>Addition of new s 226(2)(A)</p> <p>Addition of new section description as follows: <i>Board may decide to record information, which previously was excluded under s 226(2), on the public register if the Board reasonably believes the circumstances on which the previous exclusion was based have changed.</i></p> <p>Addition of section to columns B and C (i.e. RNC and IAC)</p>	12 May 2023
Schedule 2 Decisions delegated by the National Board: 226(3)	Current description read: <i>Board may decide not to include or remove information from the public register in relation to a registered health practitioner.</i> Each subsection was broken down and delegated to the various committees.		<p>Addition of new s 226(3)</p> <p>Addition of new section description as follows: <i>Board may decide to remove information from the public register that the registered health practitioner has been reprimanded if it considers it is no longer necessary or appropriate for the information to be recorded on the Register.</i></p> <p>Addition of section to column D (i.e. Ahpra)</p>	12 May 2023

Schedule 2 Decisions delegated by the National Board: s112B(4)(a)	Board to approve the form used by an individual in their application for registration in the health profession following period of suspension.	Addition of new condition s112B(4)(a): <i>The delegation to Ahpra to approve the application form is limited to stylistic and minor changes only. Stylistic and minor changes include changes to the design of the form, dates and logo. If there is a substantive change – for instance, changes to the questions - those decisions remain with the Board.</i>	24 June 2024
Schedule 2 Decisions delegated by the National Board: s131A(2)	Board may decide to refuse to record an alternative name on the: <ul style="list-style-type: none">i. public register, andii. the practitioner's certificate of registration.	Addition of new condition s131A(2): <i>Ahpra may make a decision under s 131A(2) only if the name satisfies the definition of 'prohibited name' under s 131A(4)(a) to (c).</i> <i>If the refusal to include the name on the public register or the practitioner's certificate of registration is because it is contrary to the public interest for another reason (s 131A(4)(d)), that will be a decision of the relevant committee.</i>	24 June 2024
Schedule 2 Decisions delegated by the National Board: s159C(1)	Board may issue an interim prohibition order to an unregistered person if, in the Board's reasonable belief, the person: <ul style="list-style-type: none">i. has contravened a relevant provision, orii. is the subject of an assessment, investigation or other proceedings under Part 8	Addition of new condition s159C(1): <i>The IAC will make the decision where the unregistered person is a person:</i> <i>1. whose registration is suspended, or</i> <i>2. who is the subject of ongoing proceedings under Part 8.</i>	24 June 2024
Schedule 2 Decisions delegated by the National Board: s159E(6)(a)	Following consideration of any submissions made by the unregistered practitioner in accordance with the notice from s 159E(3), the Board must decide, to either: <ul style="list-style-type: none">i. confirm the issue of the interim prohibition order, orii. revoke the interim prohibition order.	Addition of new condition s159E(6)(a): <i>The IAC will make the decision where the unregistered person is a person:</i> <i>1. whose registration is suspended, or</i> <i>2. who is the subject of ongoing proceedings under Part 8.</i>	24 June 2024
Schedule 2 Decisions delegated by the National Board: s159G(1)	Board must revoke an interim prohibition order about an unregistered person if, the Board is satisfied the grounds on which the order was issued: <ul style="list-style-type: none">i. no longer exist in relation to the person, orii. did not exist at time the order was issued to the person.	Addition of new condition s159G(1): <i>The IAC will make the decision where the unregistered person is a person:</i> <i>1. whose registration is suspended, or</i> <i>2. who is the subject of ongoing proceedings under Part 8.</i>	24 June 2024
Schedule 2 Decisions delegated by the National Board: s159G(2)	Board may vary an interim prohibition order about an unregistered person if, <ul style="list-style-type: none">i. the Board is satisfied a different ground in s 159C(1)(a) exists; and the Board continues to hold the reasonable belief as specified in s 159C(1)(b).	Addition of new condition s159G(2): <i>The IAC will make the decision where the unregistered person is a person:</i> <i>1. whose registration is suspended, or</i> <i>2. who is the subject of ongoing proceedings under Part 8.</i>	24 June 2024
Schedule 2 Decisions delegated by the National Board: s159H(1)	Board may extend an interim prohibition order about an unregistered person by a period of 60 days if the Board reasonably believes it is necessary.	Addition of new condition s159H(1): <i>The IAC will make the decision where the unregistered person is a person:</i> <i>1. whose registration is suspended, or</i> <i>2. who is the subject of ongoing proceedings under Part 8.</i>	24 June 2024

Schedule 2 Decisions delegated by the National Board: s159I(2)	Following a decision to issue or extend an interim prohibition order, the Board may inform the notifier who made the notification or the person who made the complaint of the decision and the reasons for the decision.	Addition of new condition s159I(2): <i>The IAC will make the decision where the unregistered person is a person:</i> 1. whose registration is suspended, or 2. who is the subject of ongoing proceedings under Part 8.	24 June 2024
Schedule 2 Decisions delegated by the National Board: s159J(2)	Prior to the expiration of the interim prohibition order, the Board may apply to the responsible tribunal to extend the order.	Addition of new condition s159J(2): <i>The IAC will make the decision where the unregistered person is a person:</i> 1. whose registration is suspended, or 2. who is the subject of ongoing proceedings under Part 8.	24 June 2024
Schedule 2 Decisions delegated by the National Board: s159L(2)	If a responsible tribunal has extended or substituted an interim prohibition order and the Board is satisfied the grounds on which the order was issued: i. no longer exist in relation to the person, or ii. did not exist at time the order was issued to the person; the Board may before either the extended or substituted order ends apply to the responsible tribunal to revoke the order.	Addition of new condition s159L(2): <i>The IAC will make the decision where the unregistered person is a person:</i> 1. whose registration is suspended, or 2. who is the subject of ongoing proceedings under Part 8.	24 June 2024
Schedule 2 Decisions delegated by the National Board: s159M(2)	If a responsible tribunal has extended or substituted an interim prohibition order and the Board: i. is satisfied a different ground in s 159C(1)(a) exists; and ii. continues to reasonably believe the ground specified in s 159C(1)(b) exists, the Board may before the extended or substituted interim prohibition order ends apply to the responsible tribunal to vary the order.	Addition of new condition s159M(2): <i>The IAC will make the decision where the unregistered person is a person:</i> 1. whose registration is suspended, or 2. who is the subject of ongoing proceedings under Part 8.	24 June 2024
Schedule 2 Decisions delegated by the National Board: s159N(5)	The Board may decide that the interim prohibition order should not be published because: i. the person subject to the interim prohibition order has requested the information not be published, and ii. the Board reasonably believes that the publication of the information would present a serious risk to the health or safety of: ▪ the person, or ▪ a member of the person's family or an associate of the person.	Addition of new condition s159N(5): <i>The IAC will make the decision where the unregistered person is a person:</i> 1. whose registration is suspended, or 2. who is the subject of ongoing proceedings under Part 8.	24 June 2024
Preamble: Preliminary: Clause 1.1	The Occupational Therapy Board of Australia (the Board), pursuant to section 37 of the Health Practitioner Regulation National Law Act 2009 (the National Law), resolved to delegate its functions as specified in this Instrument of Delegation (Instrument) on 22 August 2023.	Amend the date to the date of the Board's meeting.	1 April 2025
Preamble: Preliminary: Clause 1.2	This Instrument is a complete record of the Board's resolutions with respect to the delegation of its functions. The Board resolved to revoke all prior delegations and authorisations with effect on 24 June 2024.	Amend the date to the date of Chair's signature.	1 April 2025

Preamble: Preliminary: Clause 1.4	This Instrument does not take effect until the date of the signature of the Chair of the Board unless specified otherwise. The effective date of this Instrument is 24 June 2024.	Amend the date to the date of Chair's signature.	1 April 2025
Schedule 2 Decision delegated by a National Board: s 80(1)(c)(d)(e)	-	Removal of s 80(1)(d) from Column B. Addition of s 80(1)(d) to Column D. Insertion of Conditions for Ahpra in Column E: <i>Ahpra may request an applicant undergo an examination or assessment where:</i> 1. <i>the Board has previously made a request of the same applicant to undergo an examination or assessment under s 80(1)(d); and</i> 2. <i>the applicant has not completed an approved program of study since the Board made the previous request under s 80(1)(d).</i>	1 April 2025
Schedule 2 Decision delegated by a National Board: s 83(1)	Current conditions for Ahpra in Column E read: <i>Ahpra may only impose a condition on registration in circumstances where:</i> 1. <i>the imposition of conditions is consistent with the Board's proposal to impose conditions;</i> 2. <i>the applicant has been given notice of the proposal to impose condition(s) on registration under s 81; and</i> 3. <i>the applicant has indicated he or she agrees with the proposed imposition of the condition(s).</i>	Amend Conditions for Ahpra in Column E to read: <i>Ahpra can only impose a condition on registration in the following scenarios:</i> SCENARIO 1 1. <i>the imposition of conditions is consistent with the Board's proposal to impose conditions;</i> 2. <i>the applicant has been given reasonable notice of the Board's proposal to impose condition(s) on registration under s 81; and</i> 3. <i>either (a) or (b) applies:</i> a. <i>the applicant submitted that they accept the proposed condition; or</i> b. <i>the applicant has not made a submission in the time period set out in the notice issued under s 81(2)(b).</i> SCENARIO 2 <i>In relation to a deferred graduate applicant:</i> 1. <i>the applicant has applied for registration as a deferred graduate;</i> 2. <i>the applicant has deferred an application for registration for more than two (2) years after completion of the relevant course required by the applicable registration standards; and</i> 3. <i>the imposition of conditions on the registration of a deferred graduate is in accordance with the National Restriction Library (NRL) for supervision conditions.</i>	1 April 2025
Schedule 2 Decision delegated by a National Board: s 83A	-	Removal of s 83A from Column B. Addition of s 83A to Column D. Insertion of Conditions for Ahpra in Column E: <i>Ahpra may only accept an undertaking from a person if:</i> 1. <i>the applicant was provided with notice of the Board's proposal to impose condition(s) on registration under s 81;</i> 2. <i>the undertaking is consistent with the wording proposed by the Board in the conditions; and</i> 3. <i>no additional information has come into possession that may be relevant in making the decision.</i>	1 April 2025
Schedule 2 Decision delegated by a National Board: s 110	Current condition in Column E reads:	Amend condition in Column E to read: <i>Corresponding functions under s 80 (as listed above) apply to the relevant Board, relevant committees and Ahpra.</i>	1 April 2025

		Corresponding functions under s 80 (as listed above) apply to the Registration and/or Notifications Committee, IAC and Ahpra.		
Schedule 2 Decision delegated by a National Board: s 112(1)	Current conditions in Column E read: <i>Ahpra can only decide to renew a practitioner's registration in the following three scenarios:</i> SCENARIO 1 1. section 111 does not apply (i.e. a practitioner has not received a notice to propose to refuse or propose to impose conditions on the renewal of their registration); or SCENARIO 2 1. in relation to a breach of section 133 (advertising offences) where: 2. there has been a proposal to refuse to renew a registration or a proposal to impose conditions on a registration has been made; 3. the practitioner has received a notice under section 111(1); and 4. the practitioner has amended their advertising to be compliant with the requirements of section 133 following this proposal. SCENARIO 3 1. an applicant has applied to renew their limited registration relating to postgraduate training or supervised practice where the purposes of the registration is to undertake a Stage 2 Supervised Practice administered by the Occupational Therapy Council of Australia. <i>Ahpra may only refuse an application for renewal of registration where:</i> 1. the Board has proposal to refuse to renew a registration; 2. the applicant has been given reasonable notice of the proposal to refuse their application for renewal of registration; and 3. either (a) or (b) applies: 4. the applicant submitted that they accept the proposed decision; or 5. the applicant has not made a submission in response to the proposal.	Amend conditions in Column E to read: <i>Ahpra can only decide to renew a practitioner's registration (or endorsement) in the following scenarios:</i> SCENARIO 1 1. S 111 does not apply (i.e. a practitioner has not received a notice to propose to refuse or propose to impose conditions on the renewal of their registration or endorsement). SCENARIO 2 1. In relation to a breach of s 133 (advertising offences) where: a. there has been a proposal to refuse to renew a registration or a proposal to impose conditions on a registration has been made; b. the practitioner has received a notice under s 111(1); and c. the practitioner has amended their advertising to be compliant with the requirements of s 133 following this proposal. SCENARIO 3 <i>An applicant has applied to renew their limited registration relating to postgraduate training or supervised practice where the purpose of the registration is to undertake a Stage 2 Supervised Practice administered by the Occupational Therapy Council of Australia.</i> <i>Ahpra may only refuse an application for renewal of registration (or endorsement) where:</i> 1. the Board has proposed to refuse to renew a registration (or endorsement); 2. the applicant has been given reasonable notice of the Board's proposal to refuse their application for renewal of registration (or endorsement); and 3. either (a) or (b) applies: a. the applicant submitted that they accept the proposed decision; or b. the applicant has not made a submission in response to the proposal.	1 April 2025	
Schedule 2 Decision delegated by a National Board: s 112(3)	Current conditions in Column E read: PROPOSING TO IMPOSE CONDITIONS SCENARIO 1 <i>Ahpra may only propose to impose conditions on a renewal of registration where:</i> 1. conditions relate to a breach of s 133 (advertising offences); and 2. the proposed condition adopts standard wording in accordance with the National Restrictions Library. IMPOSING CONDITIONS SCENARIO 1	Amend conditions in Column E to read: PROPOSING TO IMPOSE CONDITIONS <i>Ahpra may only propose to impose conditions on a renewal of registration (or endorsement) in the following scenarios:</i> SCENARIO 1 1. Conditions relate to: a. a breach of s 133 (advertising offences); or b. the completion of additional Continuing Professional Development requirements; or c. recency of practice conditions with re-entry; and	1 April 2025	

		<p>Ahpra may only impose conditions on an application for renewal of registration where:</p> <ol style="list-style-type: none"> 1. the Board has proposed to impose conditions following an application on a renewal of registration on registration; 2. the applicant has been given reasonable notice of the proposal to impose conditions following an application on a renewal of registration; and 3. either (a) or (b) applies: <ol style="list-style-type: none"> a. the applicant submitted that they accept the proposed decision; or b. the applicant has not made a submission in response to the proposal. <p>SCENARIO 2</p> <p>Ahpra may accept an undertaking on an application for renewal of registration or endorsement on registration where:</p> <ol style="list-style-type: none"> 1. the Board proposed to renew the registration or endorsement on registration with the undertaking that was in effect immediately before the renewal, 2. the applicant has been given reasonable notice of the proposal to renew the registration or endorsement on registration subject to the undertaking that was in effect immediately before the renewal, 3. the applicant has accepted the Board's proposal, and 4. no additional information has come into possession that may be relevant in making the decision. 	<ol style="list-style-type: none"> 2. the proposed condition adopts standard wording in accordance with the National Restriction Library (NRL). <p>SCENARIO 2</p> <ol style="list-style-type: none"> 1.
