## Information and definitions

#### DO NOT send original documents.

Copies of documents provided in support of an application, or other purpose required by the National Law, must be certified as true copies of the original documents. Each and every certified document **must**:

- be in English. If original documents are not in English, you must provide a certified copy of the original document and translation in accordance with Ahpra guidelines, which are available at [www.ahpra.gov.au/registration/registration-process](http://www.ahpra.gov.au/registration/registration-process)
- be initialled on every page by the authorised officer. For a list of people authorised to certify documents, visit [www.ahpra.gov.au/certify.aspx](http://www.ahpra.gov.au/certify.aspx)
- be annotated on the last page as appropriate e.g. 'I have sighted the original document and certify this to be a true copy of the original' and signed by the authorised officer,
- for documents containing a photograph, the following certification statement must be included by the authorised officer, 'I certify that this is a true copy of the original and the photograph is a true likeness of the person presenting the document as sighted by me', along with their signature, and
- list the name, date of certification, and contact phone number, and position number (if relevant) and have the stamp or seal of the authorised officer (if relevant) applied.

Certified copies will only be accepted via the Online Upload Service at [www.ahpra.gov.au/registration/online-upload](http://www.ahpra.gov.au/registration/online-upload). Photocopies of previously certified documents will not be accepted. For more information, Ahpra's guidelines for certifying documents can be found online at [www.ahpra.gov.au/certify.aspx](http://www.ahpra.gov.au/certify.aspx)

### CHANGE OF NAME

You must provide evidence of a change of name if you have ever been formally known by another name(s) or any of the documentation you are providing in support of your application is in another name(s).

Evidence must be a certified copy of one of the following documents:

- Standard marriage certificate (ceremonial certificates will not be accepted)
- Deed poll
- Change of name certificate.

Faxed, scanned or emailed copies of certified documents will not be accepted.

### CONTINUING PROFESSIONAL DEVELOPMENT

A registered pharmacist must undertake the continuing professional development (CPD) required by the Board's *Registration standard: Continuing professional development*. Failure to do so may constitute behaviour for which health, conduct or performance action may be taken.

Registered pharmacists are required to complete 40 CPD credits for the 12 month period ending 30 September.

For more information, view the full registration standard online at [www.pharmacyboard.gov.au/Registration-Standards](http://www.pharmacyboard.gov.au/Registration-Standards)

### CRIMINAL HISTORY

**Criminal history** includes the following, whether in Australia or overseas, at any time:

- every conviction of a person for an offence
- every plea of guilty or finding of guilt by a court of the person for an offence, whether or not a conviction is recorded for the offence, and
- every charge made against the person for an offence.

Under the National Law, spent convictions legislation does not apply to criminal history disclosure requirements. Therefore, you must disclose your complete criminal history as detailed above, irrespective of the time that has lapsed since the charge was laid or the finding of guilt was made. The Board will decide whether your criminal history is relevant to the practice of your profession. You are not required to obtain or provide your Australian criminal history report, Ahpra will obtain this check on your behalf. But if you have not given us certified proof of identity documents since October 2019, you will need to do this first.

Any document containing a photograph must be annotated with the statement 'I certify that this is a true copy of the original and the photograph is a true likeness of the person presenting the document as sighted by me.'

You may be required to obtain international criminal history reports.

For more information, view the full registration standard online at [www.pharmacyboard.gov.au/Registration-Standards](http://www.pharmacyboard.gov.au/Registration-Standards) and the requirements for supplying proof of identity and certified documents at [www.ahpra.gov.au/Registration/Registration-Process/Proof-of-Identity](http://www.ahpra.gov.au/Registration/Registration-Process/Proof-of-Identity) and [www.ahpra.gov.au/Registration/Registration-Process/Certifying-Documents](http://www.ahpra.gov.au/Registration/Registration-Process/Certifying-Documents)

- be in chronological order
- be signed and dated with a statement 'This curriculum vitae is true and correct as at (insert date)', and
- be the original signed curriculum vitae (no faxes or scanned copies will be accepted).

It must also contain all the elements defined in Ahpra's standard format for curriculum vitae which can be found at [www.ahpra.gov.au/cv](http://www.ahpra.gov.au/cv)

### ENGLISH LANGUAGE SKILLS

To be eligible for registration you **must** be able to provide evidence of English language skills that meet the Board's *Registration standard: English language skills* which can be found at

[www.pharmacyboard.gov.au/Registration-Standards](http://www.pharmacyboard.gov.au/Registration-Standards)

### IMPAIRMENT

The National Law defines impairment as 'a physical or mental impairment, disability, condition or disorder (including substance abuse or dependence) that detrimentally affects or is likely to detrimentally affect your capacity to practise the profession'.

An illness or health condition that is safely managed is not the same as impairment, as these do not have a detrimental impact on your capacity to practise. Examples you do not need to tell us about include:

- wearing prescription glasses to correct your vision or hearing aids to correct your hearing, or
- seeing a psychologist for anxiety and following a treatment plan.

The National Law requires you to declare any such impairments at the time of renewal, including details of the impairment and how it is managed.

### PRACTICE

**Practice** means any role, whether remunerated or not, in which the individual uses their skills and knowledge as a practitioner in their regulated health profession. Practice is not restricted to the provision of direct clinical care. It also includes using professional knowledge in a direct non-clinical relationship with patients or clients, working in management, administration, education, research, advisory, regulatory or policy development roles and any other roles that impact on safe, effective delivery of health services in the health profession.

## PROFESSIONAL INDEMNITY INSURANCE (PII)

You cannot practise as pharmacist in Australia unless you are covered by your own, or third-party professional indemnity insurance (PII) arrangements that meet the requirements of the Board's registration standard.

Remember, practising means using your skills and knowledge as a health practitioner in any paid or unpaid role in your profession.

Initial registration and annual renewal of registration requires a declaration that you will be covered for all aspects of your practice. You may be covered by your Australian employer's PII - you will need to confirm this with your employer.

A policy must include an approved level of cover of not less than \$20 million for any single claim (i.e. for each claim), or for all claims in the aggregate, that may be made against the pharmacist. When you decide to cease practice, you must take out appropriate run-off cover for matters that would otherwise be uncovered arising from previous practice as a registered pharmacist.

For more information, view the full registration standard online at [www.pharmacyboard.gov.au/Registration-Standards](http://www.pharmacyboard.gov.au/Registration-Standards)

## REGENCY OF PRACTICE

You are required to maintain regular practice experience as part of the process of maintaining competence to practise and providing services to the public.

To meet the recency of practice standard, you are required to have practised regularly and within the previous three years in your intended scope of practice. If you are unable to demonstrate recency of practice (more than 450 hours within the previous three years or 150 hours in the previous 12 months in Australia in your intended scope of practice), or are changing your scope of practice, you will be required to demonstrate to the Board that you are competent to practise.

In such circumstances, the Board will determine on an individual basis whether a period of supervised practice, education program and assessment and/or examination is to be undertaken by the applicant depending on:

- (a) when the applicant last practised in Australia or New Zealand
- (b) the intended and/or previous scope(s) of practice as a pharmacist in Australia, New Zealand and/or in another jurisdiction
- (c) the detailed practice history of the applicant, and
- (d) activities carried out since the applicant last practised as a pharmacist, including any continuing professional development undertaken.

For more information, view the full registration standard online at [www.pharmacyboard.gov.au/Registration-Standards](http://www.pharmacyboard.gov.au/Registration-Standards)
