Amendment History	Part and Division	Description	Change	Date Change Made
	Preamble: Preliminary: Clause 1.1	The Podiatry Board of Australia (the Board), pursuant to section 37 of the Health Practitioner Regulation National Law Act 2009 (the National Law), resolved to delegate its functions as specified in this Instrument of Delegation (Instrument) on 30 October 2020.	Amend the date to the date of the Board's meeting.	10 June 2022
	Preamble: Preliminary: Clause 1.2	This Instrument is a complete record of the Board's resolutions with respect to the delegation of its functions. The Board resolved to revoke all prior delegations and authorisations with effect on 1 January 2021.	Amend the date to the date of Chair's signature.	10 June 2022
	Preamble: Preliminary: Clause 1.4	This Instrument does not take effect until the date of the signature of the Chair of the Board unless specified otherwise. The effective date of this Instrument is 1 January 2021.	Amend the date to the date of Chair's signature.	10 June 2022
	Schedule 2 Decision delegated by a National Board: section 82(1)(c)	Condition 3(b) in Column E read: <i>the applicant has indicated that he or she agrees with the proposed imposition of the condition(s).</i>	Amend Condition 3(b) in Column E to read: <i>the applicant has indicated that he or she agrees with the proposed decision.</i>	10 June 2022
	Schedule 2 Decision delegated by a National Board: section 91(4)(b)(i)	Reference to section in Column D read: 91(4)(a)(i)	Amend reference to section in Column D to read: 91(4)(b)(i)	10 June 2022
	Schedule 2 Decisions delegated by the National Board: S 152(3)	N/A	Addition of section in Column D. Addition of the following description in Column A: <i>Despite s 152(1), a notice of receipt of notification is not</i>	10 June 2022

			<i>required to given to the registered health practitioner or student if the Board reasonably believes doing so would prejudice an investigation of the notification; or place at risk a person's health or safety or place a person at risk of intimidation or harassment.</i>	
Schedule 2 Decisions delegated by the National Board: S 159A(2)	N/A		Addition of section in Column D. Addition of the following description in Column A: <i>Following a decision to take immediate action under s 156, the Board may inform the notifier of the decision and the reasons for the decision.</i>	10 June 2022
Schedule 2 Decisions delegated by the National Board: S 167A(2)	N/A		Addition of section in Column D. Addition of the following description in Column A: <i>Following a decision after the investigation under s 167, the Board may inform the notifier of the decision and reasons for the decision.</i>	10 June 2022
Schedule 2 Decisions delegated by the National Board: S 177A(2)	N/A		Addition of section in Column D. Addition of the following description in Column A: <i>Following a decision after the assessor's report under s 177, the Board may inform the notifier of the decision and the reasons for the decision.</i>	10 June 2022
Preamble: Preliminary: Clause 1.1	The Podiatry Board of Australia (the Board), pursuant to section 37 of the Health Practitioner Regulation National Law Act 2009 (the National Law), resolved to delegate its functions as specified in this Instrument of Delegation (Instrument) on 6 October 2022.		Amend the date to the date of the Board's meeting.	25 November 2022
Preamble: Preliminary: Clause 1.2	This Instrument is a complete record of the Board's resolutions with respect to the delegation of its functions. The Board resolved to revoke all prior delegations and authorisations with effect on 6 October 2022.		Amend the date to the date of Chair's signature.	25 November 2022
Preamble: Preliminary: Clause 1.4	This Instrument does not take effect until the date of the signature of the Chair of the Board unless specified otherwise. The effective date of this Instrument is 6 October 2022.		Amend the date to the date of Chair's signature.	25 November 2022
s 112(3)	Board decides to renew a registration, including any endorsement on registration, the registration or the endorsement subject to any conditions the registration was subject to immediately before the renewal and any condition the Board considers necessary or desirable.		New Scenario 2 added to power to propose to impose conditions SCENARIO 2 Ahpra may only propose to impose conditions on a renewal of registration or endorsement where: conditions relate to the completion of additional Continuing Professional Development requirements; and the proposed condition is standard worded conditions in accordance with the National Restriction Library. New Scenario 2 added to power to impose conditions: SCENARIO 2 Ahpra may only impose conditions on a renewal of registration or endorsement where: conditions relate to the completion of additional Continuing Professional Development requirements; and the proposed condition is standard worded conditions in accordance with the National Restriction Library.	25 November 2022
Preamble: Preliminary: Clause 1.1	The Podiatry Board of Australia (the Board), pursuant to section 37 of the Health Practitioner Regulation National Law Act 2009 (the National Law), resolved to delegate its		Amend the date to the date of the Board's meeting.	3 May 2023

		functions as specified in this Instrument of Delegation (Instrument) on 25 November 2022.		
	Preamble: Preliminary: Clause 1.2	This Instrument is a complete record of the Board's resolutions with respect to the delegation of its functions. The Board resolved to revoke all prior delegations and authorisations with effect on 25 November 2022.	Amend the date to the date of Chair's signature.	3 May 2023
	Preamble: Preliminary: Clause 1.4	This Instrument does not take effect until the date of the signature of the Chair of the Board unless specified otherwise. The effective date of this Instrument is 25 November 2022.	Amend the date to the date of Chair's signature.	3 May 2023
	Schedule 2 Decisions delegated by the National Board: S 83A	-	Addition of new section 83A. Addition of new section description as follows: <i>If the Board decides to register a person in the health profession, the Board may accept any undertaking from the person if the Board considers it necessary or desirable in the circumstances.</i> Addition of section to column D (i.e. Ahpra). Addition of condition in Column I follows: <i>Ahpra may only accept an undertaking from a person if: the applicant was provided with notice of the Board's proposal to impose condition(s) on registration under s 81; the undertaking is consistent with the wording proposed by the Board in the conditions; and no additional information has come into possession that may be relevant in making the decision.</i>	3 May 2023
	Schedule 2 Decisions delegated by the National Board: Division 6A	-	Addition of new division 6A	3 May 2023
	Schedule 2 Decisions delegated by the National Board: S 85A	-	Addition of new section 85A Addition of new section description as follows: <i>Board may propose to withdraw the registration of a registered health practitioner if the Board: reasonably believes the practitioner's registration was improperly obtained because the practitioner, or someone else gave the Board information or a document that was false or misleading in a material particular.</i> Addition of section to column B (i.e. RNC).	3 May 2023
	Schedule 2 Decisions delegated by the National Board: S 85C(a)	-	Addition of new section 85C(a) Addition of new section description as follows: <i>Board may decide that the registration was not improperly obtained on the ground the registered health practitioner or someone else gave the Board information or a document that was false or misleading in a material particular; and take no further action.</i> Addition of section to column B (i.e. RNC).	3 May 2023
	Schedule 2 Decisions delegated by the National Board: S 85C(b)	-	Addition of new section 85C(b) Addition of new section description as follows: <i>Board may decide that the registration was improperly obtained because the practitioner or someone else gave the Board information or a document that was false or misleading in a material particular and do one or more of the following—withdraw the practitioner's registration;</i>	3 May 2023

			<i>refer the matter to a responsible tribunal; take other appropriate action under Part 8. Addition of section to column B (i.e. RNC).</i>	
	Schedule 2 Decisions delegated by the National Board: S 103A	-	<p>Addition of new section 103A</p> <p>Addition of new section description as follows: <i>If the Board decides to endorse the applicant's registration under s 102, the Board may accept any undertaking from the applicant if the Board considers it necessary or desirable in the circumstances.</i></p> <p>Addition of section to column D (i.e. Ahpra).</p> <p>Addition of condition in Column I follows: <i>Ahpra may only accept an undertaking from a person if: the applicant was provided with notice of the Board's proposal to impose condition(s) on registration under s 101; the undertaking is consistent with the wording proposed by the Board in the conditions; and no additional information has come into possession that may be relevant in the making the decision.</i></p>	3 May 2023
	Schedule 2 Decisions delegated by the National Board: s 112(3)	<p>Current description read: <i>Board decides to renew a registration, including any endorsement on registration, the registration or the endorsement subject to any conditions the registration was subject to immediately before the renewal and any condition the Board considers necessary or desirable.</i></p> <p>Current conditions read: PROPOSING TO IMPOSE CONDITIONS SCENARIO 1 <i>Ahpra may only propose to impose conditions on a renewal of registration or endorsement where: conditions relate to a breach of s 133 (advertising offences); and the proposed condition is standard worded conditions in accordance with the National Restrictions Library.</i></p> <p>SCENARIO 2 <i>Ahpra may only propose to impose conditions on a renewal of registration or endorsement where: conditions relate to the completion of additional Continuing Professional Development requirements; and the proposed condition is standard worded conditions in accordance with the National Restriction Library.</i></p>	<p>Amend description to read: <i>Board decides to renew a registration, including any endorsement on registration, the registration or the endorsement subject to: any conditions the registration was subject to immediately before the renewal, any condition the Board considers necessary or desirable in the circumstances, any undertaking given by the applicant to the Board that was in effect immediately before the renewal, and any undertaking given by the applicant to the Board that the Board considers necessary or desirable in the circumstances.</i></p> <p>Amend conditions to read: PROPOSING TO IMPOSE CONDITIONS SCENARIO 1 <i>Ahpra may only propose to impose conditions on a renewal of registration or endorsement where: conditions relate to a breach of s 133 (advertising offences); and the proposed condition adopts standard wording in accordance with the National Restrictions Library.</i></p> <p>SCENARIO 2 <i>Ahpra may only propose to impose conditions on a renewal of registration or endorsement where: conditions relate to the completion of additional Continuing Professional Development requirements; and the proposed condition is standard worded conditions in accordance with the National Restriction Library.</i></p> <p>IMPOSING RESTRICTIONS SCENARIO 1 <i>Ahpra may only impose conditions on an application for renewal of registration or endorsement on registration where:</i></p>	

		<p>IMPOSING CONDITIONS</p> <p>SCENARIO 1</p> <p>Ahpra may only impose conditions on an application for renewal of registration or endorsement on registration where:</p> <p>the Board has proposed to impose conditions following an application on a renewal of registration or endorsement on registration;</p> <p>the applicant has been given reasonable notice of the proposal to impose conditions following an application on a renewal of registration or endorsement on registration; and either (a) or (b) applies:</p> <p>the applicant submitted that they accept the proposed decision; or</p> <p>the applicant has not made a submission in response to the proposed decision.</p> <p>SCENARIO 2</p> <p>Ahpra may only impose conditions on a renewal of registration or endorsement where:</p> <p>conditions relate to the completion of additional Continuing Professional Development requirements; and</p> <p>the proposed condition is standard worded conditions in accordance with the National Restriction Library.</p>	<p>the Board has proposed to impose conditions following an application on a renewal of registration or endorsement on registration;</p> <p>the applicant has been given reasonable notice of the proposal to impose conditions following an application on a renewal of registration or endorsement on registration; and either (a) or (b) applies:</p> <p>the applicant submitted that they accept the proposed decision; or</p> <p>the applicant has not made a submission in response to the proposed decision.</p> <p>SCENARIO 2</p> <p>Ahpra may only impose conditions on a renewal of registration or endorsement where:</p> <p>conditions relate to the completion of additional Continuing Professional Development requirements; and</p> <p>the proposed condition is standard worded conditions in accordance with the National Restriction Library.</p> <p>SCENARIO 3</p> <p>Ahpra may accept an undertaking on an application for renewal of registration or endorsement on registration where:</p> <p>the Board proposed to impose conditions following an application on a renewal of registration or endorsement on registration;</p> <p>the applicant has been given reasonable notice of the proposal to impose conditions following an application on a renewal of registration or endorsement on registration;</p> <p>the undertaking is consistent with the wording proposed by the Board in the conditions; and</p> <p>no additional information has come into possession that may be relevant in the making the decision.</p> <p>SCENARIO 4</p> <p>Ahpra may accept an undertaking on an application for renewal of registration or endorsement on registration where:</p> <p>the Board proposed to renew the registration or endorsement on registration with the undertaking that was in effect immediately before the renewal,</p> <p>the applicant has been given reasonable notice of the proposal to renew the registration or endorsement on registration subject to the undertaking that was in effect immediately before the renewal,</p> <p>the applicant has accepted the Board's proposal, and</p> <p>no additional information has come into possession that may be relevant in the making the decision.</p>	3 May 2023

	Schedule 2 Decisions delegated by the National Board: s 125(5)	urrent description read: <i>Board must decide to grant or refuse to grant the application to change or remove conditions or undertaking on a registered health practitioner's registration or endorsement or student's registration.</i>	end description to read: <i>Board must decide to grant or refuse to grant the application to change or remove conditions or undertaking on a registered health practitioner's registration or endorsement or student's registration.</i>	3 May 2023
	Schedule 2 Decisions delegated by the National Board: s 126(5)	urrent description read: <i>Board must decide whether to change the condition(s) on a registered health practitioner's or student's registration on its own initiative.</i>	end description to read: <i>Board must decide whether to change the condition(s) on a registered health practitioner's registration or endorsement or student's registration on its own initiative.</i>	3 May 2023

			<i>safety.</i> Addition of section to column D (i.e. Ahpra)	
	Schedule 2 Decisions delegated by the National Board: 220A(2) and (5)		Addition of new section 220A(2) and (5) Addition of new section description as follows: <i>Following either the receipt of, or awareness of the practitioner's practice information as defined in s 132(4)(a), the Board may give written notice of the risk and any relevant information about the practitioner to the named registered health practitioners with whom the practitioner currently shares premises and the cost of the premises if it is in the public interest to do so.</i> Addition of section to column C (i.e. IAC)	3 May 2023
	Schedule 2 Decisions delegated by the National Board: 220A(3) and (5)		Addition of new section 220A(3) and (5) Addition of new section description as follows: <i>Following either the receipt of, or awareness of the practitioner's practice information as defined in s 132(4)(b), the Board must give written notice of the risk and any relevant information about the practitioner to a named entity that has a current practice arrangement with the practitioner if it is in the public interest to do so.</i> Addition of section to column C (i.e. IAC)	3 May 2023
	Schedule 2 Decisions delegated by the National Board: 220B(2)		Addition of new section 220B(2) Addition of new section description as follows: <i>If the Board holds a reasonable belief pursuant to s 220B(1)(a), the Board may give written notice of the risk, and any relevant information about the unregistered person, to the registered health practitioners or entities mentioned in s 220B(1)(b).</i> Addition of section to column D (i.e. Ahpra)	3 May 2023
	Schedule 2 Decisions delegated by the National Board: 226(1)	Current description read: <i>Board may decide not to include or remove information from the public register in relation to a registered health practitioner.</i> Each subsection was broken down and delegated to the various committees.	Addition of new s 226(1) Addition of new section description as follows: <i>Board may decide that a condition imposed on a practitioner's registration, or an undertaking accepted from the practitioner because the practitioner has an impairment is not recorded on the public register if it is necessary to protect the practitioner's privacy and there is no overriding public interest for the condition or undertaking to be recorded.</i> Addition of section to columns C and D (i.e. IAC and Ahpra)	3 May 2023
	Schedule 2 Decisions delegated by the National Board: 226(2)	description read: <i>Board may decide not to include or remove information from the public register in relation to a registered health practitioner.</i> Each subsection was broken down and delegated to the various committees.	Addition of new s 226(2) Addition of new section description as follows: <i>Following a request from the practitioner, the Board may decide that information relating to a practitioner should not be recorded on the public register because the Board reasonably believes that the inclusion of the information would present a serious risk to the health or safety of the practitioner or a member of the practitioner's family or an associate of the practitioner</i> Addition of section to columns B and C (i.e. RNCC and IAC)	3 May 2023
	Schedule 2 Decisions delegated by the National Board: 226(2A)	description read: <i>Board may decide not to include or remove information from the public register in relation to a registered health</i>	Addition of new s 226(2)A Addition of new section description as follows: Board may decide to record information, which previously was	3 May 2023

		<i>practitioner.</i> Each subsection was broken down and delegated to the various committees.	excluded under s 226(2), on the public register if the Board reasonably believes the circumstances on which the previous exclusion was based have changed. Addition of section to columns B and C (i.e. RNCC and IAC)	
	Schedule 2 Decisions delegated by the National Board: 226(3)	description read: <i>Board may decide not to include or remove information from the public register in relation to a registered health practitioner.</i> Each subsection was broken down and delegated to the various committees.	Addition of new s 226(3) Addition of new section description as follows: <i>Board may decide to remove information from the public register that the registered health practitioner has been reprimanded if it considers it is no longer necessary or appropriate for the information to be recorded on the Register.</i> Addition of section to column D (i.e. Ahpra)	3 May 2023
	Preamble: Preliminary: Clause 1.1	The Podiatry Board of Australia (the Board), pursuant to section 37 of the Health Practitioner Regulation National Law Act 2009 (the National Law), resolved to delegate its functions as specified in this Instrument of Delegation (Instrument) on 21 February 2024.	Amend the date to the date of the Board's meeting.	4 March 2024
	Preamble: Preliminary: Clause 1.2	This Instrument is a complete record of the Board's resolutions with respect to the delegation of its functions. The Board resolved to revoke all prior delegations and authorisations with effect on 4 March 2024.	Amend the date to the date of Chair's signature.	4 March 2024
	Preamble: Preliminary: Clause 1.4	This Instrument does not take effect until the date of the signature of the Chair of the Board unless specified otherwise. The effective date of this Instrument is 4 March 2024.	Amend the date to the date of Chair's signature.	4 March 2024
	Schedule 2 Decisions delegated by the National Board: 102(1)	Current description of condition in column E states: <i>"Ahpra does not have the delegation to endorse registration".</i>	Amend description of condition in column E to state: <i>"Ahpra can only decide to endorse an applicant's registration in the following circumstance: the application is for endorsement to be qualified to administer, obtain, possess, prescribe, sell, supply or use a scheduled medicine or class of scheduled medicines; the applicant has an approved qualification for endorsement for scheduled medicines (Pathway A); and the approved qualification was awarded not more than 12 months before submitting the application for endorsement to Ahpra."</i> <i>Ahpra can only refuse an application for endorsement in the following circumstance: the refusal of the endorsement on the applicant's registration is consistent with the Board's proposal to refuse; the applicant has been given notice of a proposal to refuse the endorsement on their registration under s 101; and either (a) or (b) apply: a. the applicant has not made any submissions in response to that notice, or b. the applicant has indicated that he or she agrees with the proposed refusal to endorse their registration."</i>	4 March 2024
	Schedule 2 Decisions delegated by the National Board:	Board to approve the form used by an individual in their application for registration in the health profession following period of suspension.	Addition of new condition s112B(4)(a): <i>The delegation to Ahpra to approve the application form is limited to stylistic and minor changes only. Stylistic and minor</i>	27 June 2024

	s112B(4)(a)		<i>changes include changes to the design of the form, dates and logo. If there is a substantive change – for instance, changes to the questions - those decisions remain with the Board.</i>	
	Schedule 2 Decisions delegated by the National Board: s131A(2)	Board may decide to refuse to record an alternative name on the: public register, and the practitioner's certificate of registration.	Addition of new condition s131A(2): <i>Ahpra may make a decision under s 131A(2) only if the name satisfies the definition of 'prohibited name' under s 131A(4)(a) to (c). If the refusal to include the name on the public register and on the practitioner's certificate of registration is because it is contrary to the public interest for another reason (s 131A(4)(d)), that will be a decision of the relevant committee.</i>	27 June 2024
	Schedule 2 Decisions delegated by the National Board: s159C(1)	Board may issue an interim prohibition order to an unregistered person if, in the Board's reasonable belief, the person: has contravened a relevant provision, or is the subject of an assessment, investigation or other proceedings under Part 8	Addition of new condition s159C(1): <i>The IAC will make the decision where the unregistered person is a person:</i> 1. <i>whose registration is suspended, or</i> 2. <i>who is the subject of ongoing proceedings under Part 8.</i>	27 June 2024
	Schedule 2 Decisions delegated by the National Board: s159E(6)(a)	Following consideration of any submissions made by the unregistered practitioner in accordance with the notice from s 159E(3), the Board must decide, to either: confirm the issue of the interim prohibition order, or revoke the interim prohibition order.	Addition of new condition s159E(6)(a): <i>The IAC will make the decision where the unregistered person is a person:</i> 1. <i>whose registration is suspended, or</i> 2. <i>who is the subject of ongoing proceedings under Part 8.</i>	27 June 2024
	Schedule 2 Decisions delegated by the National Board: s159G(1)	Following consideration of any submissions made by the unregistered practitioner in accordance with the notice from s 159E(3), the Board must decide, to either: confirm the issue of the interim prohibition order, or revoke the interim prohibition order.	Addition of new condition s159G(1): <i>The IAC will make the decision where the unregistered person is a person:</i> 1. <i>whose registration is suspended, or</i> 2. <i>who is the subject of ongoing proceedings under Part 8.</i>	27 June 2024
	Schedule 2 Decisions delegated by the National Board: s159G(2)	Board may vary an interim prohibition order about an unregistered person if, the Board is satisfied a different ground in s 159C(1)(a) exists; and the Board continues to hold the reasonable belief as specified in s 159C(1)(b).	Addition of new condition s159G(2): <i>The IAC will make the decision where the unregistered person is a person:</i> <i>whose registration is suspended, or</i> <i>who is the subject of ongoing proceedings under Part 8.</i>	27 June 2024
	Schedule 2 Decisions delegated by the National Board: s159H(1)	Board may extend an interim prohibition order about an unregistered person by a period of 60 days if the Board reasonably believes it is necessary.	Addition of new condition s159H(1): <i>The IAC will make the decision where the unregistered person is a person:</i> 1. <i>whose registration is suspended, or</i> 2. <i>who is the subject of ongoing proceedings under Part 8.</i>	27 June 2024
	Schedule 2 Decisions delegated by the National Board: s159I(2)	Following a decision to issue or extend an interim prohibition order, the Board may inform the notifier who made the notification or the person who made the complaint of the decision and the reasons for the decision.	Addition of new condition s159I(2): <i>The IAC will make the decision where the unregistered person is a person:</i> 1. <i>whose registration is suspended, or</i> 2. <i>who is the subject of ongoing proceedings under Part 8.</i>	27 June 2024
	Schedule 2 Decisions delegated by the National Board: s159J(2)	Prior to the expiration of the interim prohibition order, the Board may apply to the responsible tribunal to extend the order.	Addition of new condition s159J(2): <i>The IAC will make the decision where the unregistered person is a person:</i> 1. <i>whose registration is suspended, or</i> 2. <i>who is the subject of ongoing proceedings under Part 8.</i>	27 June 2024
	Schedule 2 Decisions delegated by the	If a responsible tribunal has extended or substituted an interim prohibition order and the Board is satisfied the	Addition of new condition s159L(2): <i>The IAC will make the decision where the unregistered person</i>	27 June 2024

	National Board: s159L(2)	grounds on which the order was issued: no longer exist in relation to the person, or did not exist at time the order was issued to the person; the Board may before either the extended or substituted order ends apply to the responsible tribunal to revoke the order.	<i>is a person: whose registration is suspended, or who is the subject of ongoing proceedings under Part 8.</i>	
	Schedule 2 Decisions delegated by the National Board: s159M(2)	If a responsible tribunal has extended or substituted an interim prohibition order and the Board: is satisfied a different ground in s 159C(1)(a) exists; and continues to reasonably believe the ground specified in s 159C(1)(b) exists, the Board may before the extended or substituted interim prohibition order ends apply to the responsible tribunal to vary the order.	Addition of new condition s159M(2): <i>The IAC will make the decision where the unregistered person is a person: whose registration is suspended, or who is the subject of ongoing proceedings under Part 8.</i>	27 June 2024
	Schedule 2 Decisions delegated by the National Board: s159N(5)	The Board may decide that the interim prohibition order should not be published because: the person subject to the interim prohibition order has requested the information not be published, and the Board reasonably believes that the publication of the information would present a serious risk to the health or safety of: the person, or a member of the person's family or an associate of the person.	Addition of new condition s159N(5): <i>The IAC will make the decision where the unregistered person is a person: whose registration is suspended, or who is the subject of ongoing proceedings under Part 8.</i>	27 June 2024
	Preamble: Preliminary: Clause 1.1	The Podiatry Board of Australia (the Board), pursuant to section 37 of the Health Practitioner Regulation National Law Act 2009 (the National Law), resolved to delegate its functions as specified in this Instrument of Delegation (Instrument) on 23 August 2023.	Amend the date to the date of the Board's meeting.	26 March 2025
	Preamble: Preliminary: Clause 1.2	This Instrument is a complete record of the Board's resolutions with respect to the delegation of its functions. The Board resolved to revoke all prior delegations and authorisations with effect on 27 June 2024.	Amend the date to 1 April 2025.	1 April 2025
	Preamble: Preliminary: Clause 1.4	This Instrument does not take effect until the date of the signature of the Chair of the Board unless specified otherwise. The effective date of this Instrument is 27 June 2024.	Amend the date to 1 April 2025	1 April 2025
	Schedule 2: Decisions delegated by the National Board: s 80(1)(c)(d)(e)	-	Removal of section 80(1)(d) from Column B. Addition of section 80(1)(d) to Column D. Insertion of conditions for Ahpra in Column E: <i>Ahpra may request an applicant undergo an examination or assessment where:</i> 1. <i>the Board has previously made a request of the same applicant to undergo an examination or assessment under s. 80(1)(d); and</i> 2. <i>the applicant has not completed an approved program of study since the Board made the previous request under s.80(1)(d).</i>	1 April 2025
