Subject: Public consultation: Review of English language skills registration standard

Dear Sir/ Madam,

I would like to make the following changes to the proposed revised English language skills registration standard:

IELTS score: Minimum score of 6.5 in each of the four components (listening, reading, writing and speaking) and an overall score of 7

I hope you will consider this suggestion as it will remove un-necessary burden on applicants and will not put the public at risk.

When it is expected to be approved by the Ministerial Council, and when it will take effect?

Regards

Dr Sayed
