Subject: opinion regarding OET result

Dear Sir/Madam

My name is [REDACTED], I want to share my opinion with you regarding OET result should be acceptable in multiple seating. I am struggling for the OET exam more than a year. Several times I am too close to the passing requirements. It is really a challenge to get through all in one sitting, however, I have passed all the module. Please reconsider the decision, that multiple sittings will be acceptable to get registered with AHPRA. I will be really grateful to you.

Yours faithfully
