Public consultation on international criminal history checks

On 7 October 2013 the Podiatry Board of Australia released a Consultation paper on international criminal history checks for public comment.

The Australian Podiatry Association (Victoria) (APodA (Vic)) welcomes this opportunity to comment on the matters contained within the Consultation Paper on behalf of the Victorian podiatrists.

The Association is supportive of this proposal however requests that this new process does not have an impact on registration fees.

Yours faithfully
