

Decision-making bodies of the Nursing and Midwifery Board of Australia

Under section 36 of the National Law, National Boards can establish a State, Territory or Regional Board for a participating jurisdiction to enable the Board to exercise its functions in the jurisdiction in a way that provides an effective and timely local response to health practitioners and other persons in the jurisdiction.

Additionally, under section 37, National Boards have the power to delegate decision-making functions.

Below is a list of the State and Territory Boards and National Committees that have been established by the Nursing and Midwifery Board of Australia (NMBA) with delegated decision-making functions:
