

**OFFICIAL**

Dear Ms Pike,

Thank you for inviting ASQA to submit feedback to the Paramedicine Accreditation Committee on the draft proposed accreditation standards.

We do not have detailed feedback relevant to the accreditation standards, but note that the draft standards reference the processes of the Tertiary Education Quality and Standards Agency (TEQSA), but do not include reference to ASQA. We recommend that AHPRA considers what information should be included in the revised standards regarding ASQA.

We also draw your attention to the current review of the content of *HLT51015 Diploma of Paramedical Science*, which is being undertaken by the Ambulance and Paramedic Industry Reference Committee. Further information about that process can be found at <https://www.skillsiq.com.au/CurrentProjectsandCaseStudies/AmbulanceTPD>.

If you have any queries, please contact me on telephone (07) 3223 1026, or by email at [Sherree.Price@asqa.gov.au](mailto:Sherree.Price@asqa.gov.au).

Yours sincerely,
