Introduction

The role of the Podiatry Board of Australia (the Board) includes:

- registering podiatrists, podiatric surgeons and students
- developing standards, codes and guidelines for the podiatry profession
- handling notifications and complaints
- where necessary, conducting panel hearings and referring serious matters to tribunal hearings
- overseeing the assessment of overseas trained practitioners who wish to practise in Australia, and
- approving accreditation standards and accredited courses of study.

The Board's functions are supported by the [Australian Health Practitioner Regulation Agency](#) (Ahpra). For information about legislation governing our operations see [About Ahpra](#).

The Board has analysed its registration data and produced a number of statistical breakdowns about registrants to share with the profession and community. The Board shares these breakdowns regularly.

For more information on podiatry registration, please see the Board's website www.podiatryboard.gov.au/
