3. Delegation of Board functions

3.1 Principles of delegation:

3.1.1 The purpose of this Instrument is to allow the Board to discharge its functions as set out in section 35 of the National Law.

3.1.2 To the extent that the Board's functions are capable of being delegated, the Board delegates its functions to Ahpra and the committees of the Board as set out in Schedules 2 and 3 of this Instrument.

3.1.3 The delegations in Schedules 2 and 3 of this Instrument are subject to any conditions placed on the delegations made under s 37(1) by the National Boards. These conditions are set out in Column E of Schedules 2 and 3 of this Instrument and describe the legal conditions that have an effect on the delegable power.

3.1.4 A delegate may in the performance of a delegated function do anything that is incidental to the delegated function.

3.1.5 A delegation does not derogate from the power of the Board to act itself in the matter, so long as the delegate has not yet exercised the function or power.

- 3.1.6 A delegate may only exercise a function, or make a decision, subject to the conditions imposed on the delegated function. If the decision to be made is not within the condition which applies to the delegated function, or the delegate is not sure what the decision should be, the delegate must not make the decision. The delegate may, however, make recommendations to the National Board or another delegate.
- 3.1.7 The underlying intention in establishing such delegation is to facilitate the effective and efficient operation of the national accreditation and registration scheme.
- 3.2 Powers and functions that can only be exercised by the Board are detailed in Schedule 1 of this Instrument.

Registration, Notifications and/or Compliance Committee

- 3.3 The Board delegates to the Registration, Notifications and/or Compliance Committee the following functions of the Board:
- 3.3.1 The functions listed in Column B to Schedule 2 of this Instrument, subject to the conditions (if any) in Column E to Schedule 2 of this Instrument.
- 3.3.2 The functions listed in Column B to Schedule 3 of this Instrument, subject to the conditions (if any) in Column E to Schedule 3 of this Instrument.
- 3.3.3 All functions delegated to the Immediate Action Committee and Ahpra, as listed in Columns C and D of Schedules 2 and 3 of this Instrument.
- 3.3.3.1 Where a condition applies to either the Immediate Action Committee or Ahpra, as detailed in Column E of Schedules 2 and 3 of this Instrument, this condition would not apply to the Registration, Notifications and/or Compliance Committee unless specifically stated in Column E of Schedules 2 and 3 of this Instrument.

Immediate Action Committee

- 3.4 The Board delegates to the Immediate Action Committee the following functions of the Board:
- 3.4.1 The functions listed in Column C to Schedule 2 of this Instrument, subject to the conditions (if any) in Column E of Schedule 2 of this Instrument.
- 3.4.2 The functions listed in Column C to Schedule 3 of this Instrument, subject to the conditions (if any) in Column E of Schedule 3 of this Instrument.

Australian Health Practitioner Regulation Agency

- 3.5 The Board delegates to Ahpra the following functions of the Board,
- 3.5.1 The functions listed in Column D to Schedule 2 of this Instrument, subject to the conditions (if any) in Column E of Schedule 2 of this Instrument.
 - 3.5.2 The functions listed in Column D to Schedule 3 of this Instrument, subject to the conditions (if any) in Column E of Schedule 3 of this Instrument.
 - 3.5.3 The provision of notice(s), whether or not expressly provided for in this Instrument, and whether from the Board or a committee of the Board, to any entity or person; and,
 - 3.5.4 The publishing of information on the Board's and/or Ahpra's website, whether expressly provided for in this Instrument.
 - 3.5.5 Ahpra may not exercise any function that is an appellable decision unless specified otherwise. Where there is a decision which is appealed Ahpra must seek the advice from the Board and ensure that appropriate advice and expertise is obtained in order to appropriately manage the appeal.
- 3.6 To avoid doubt, despite the description of division and the conditions to listed in Columns A and E respectively of Schedules 2 and 3 of this Instrument the delegate must refer back to the applicable section(s) of the National Law that is being exercised.
- 3.7 The Board's decision, including any delegate decision must be consistent with the National Board guidelines and/or policies that are in force from time to time.
