Good afternoon

Thank you for the opportunity to review the revised *Safety and quality guidelines for privately practising midwives (draft)*.

The revised *Safety and quality guidelines for privately practising midwives (draft)* is a concise and considered document which reflects contemporary midwifery practice and provides information about the necessary regulatory, governance and risk management strategies to ensure the safe, quality and effective delivery of care by Midwives in private practice.

Regards

Jenny

Adj Assoc Prof Jennifer Hurley
Chief Nurse and Midwifery Officer

Nursing and Midwifery Office
