## Appendix 2: Meetings of Boards and committees

This table shows the number of National Board, national committee, state/territory board and committee meetings held. Each Board has different committee structures to support their day-to-day regulatory decision-making and policy work, largely determined by the volume and risk profile of the tasks.

The purpose of each committee varies, and includes decision-making about individual practitioners (for example, registration, notifications, immediate action and compliance matters). Finance and policy-oriented committees look at standards, codes and guidelines for the profession.

All the meetings listed for state/territory boards or state/territory committees, and most national committee meetings, were engaged in regulatory decision-making affecting individual practitioners. Numbers include out-of-session and immediate action committee meetings where those occurred.

# Appendix 3: State, territory and regional board, committee, panel and group members

The members of state, territory and regional boards; committees; panels; and working, reference and advisory groups make an enormous and valued contribution.

Members appointed for all or part of 2022/23 are listed, so some committees appear to have a larger membership than they actually do at any given time. Part-year term dates are only shown for Chairs.

All boards have practitioner and community members. One third of all National Board positions are filled by community members: 53 of 156 positions. On state, territory and regional boards, 37.2% of positions are filled by community members: 74 of 199 positions.

# Appendix 4: Attendance at Ahpra Board and committee meetings

This table shows how many meetings of the Ahpra Board and its committees each board member attended, compared with the total number of meetings those members were eligible to attend. Members who left or joined during 2022/23 were eligible to attend a smaller number of meetings. Not all Ahpra Board members are members of each committee.

Non-Ahpra Board members, including National Board Chairs and members and some external experts, have also been appointed to its committees and these members are listed at the end of each committee list. The co-convenors of the Forum of National Registration and Accreditation Scheme Chairs attend Ahpra Board meetings and appear at the end of that list.
