## Introduction

The role of the Occupational Therapy Board of Australia (the Board) includes:

- registering occupational therapists and students
- developing standards, codes and guidelines for the occupational therapy profession
- handling notifications, complaints, investigations and disciplinary hearings
- overseeing the assessment of overseas trained practitioners who wish to practise in Australia, and
- approving accreditation standards and accredited courses of study.

The Board's functions are supported by the [Australian Health Practitioner Regulation Agency](#) (Ahpra). For information about legislation governing our operations see [About Ahpra](#) at <http://www.ahpra.gov.au/About-Ahpra/What-We-Do/Legislation.aspx>.

The Board has analysed its registration data and produced a number of statistical breakdowns about registrants to share with the profession and community. The Board shares these breakdowns regularly.

For more information on occupational therapy registration, please see the Board's website [www.occupationaltherapyboard.gov.au/Registration.aspx](http://www.occupationaltherapyboard.gov.au/Registration.aspx)
